THE RECTORY,
NEWBOLD VERDON,
NR LEICESTER.

Walter Preston has been in my employ as Coachman and Chauffeur for four years. He is a first-rate Motor driver - He has good temper and good judgement. In character he is a steady fellow and can be trusted under any sort of difficulties. I am keeping his place open for him, and hope he may not be away for long.

John H. Jagger, M.A.
