Ed's Spot

On Sunday, 21st May, the village buzzed with activity as several groups of volunteers were involved in a litter-pick. At the same time, other groups of volunteers were setting up the hanging baskets.
It's good to see so many people, giving up their precious time, for OUR village.
The improvement over the past couple of years is obvious, so come on, everyone - do YOUR bit and take pride in YOUR village.

Verdon In Bloom

First of all, a very sincere thankyou to all those who responded to the appeal for donations and help with watering. Donations exceeded an unbelievable £350 and individual thankyou letters have been sent to all who gave. The response for help with watering was equally generous. We now have over 40 volunteers so each team need only work a one week stint.
Unfortunately we had to decide against extending the baskets up to the junction with Desford Road because EMEB conditions for use of the line poles, whilst in no way unreasonable, would have incurred the VIBA in relatively heavy additional expenditure, mainly insurance.

By the time you read this article, the flower baskets should be in full bloom and hopefully giving pleasure to the whole village. Next year, with your continued support and help, we plan to do even better. Watch Verdon Views for further details.

TODDLER PARK MARATHON

Well, I made it! I ran the 26.2 miles from Blackheath to Westminster Bridge on 23rd April - and what an experience it was. To be there with many thousands of others, running for many and varied charities, or just to prove something to themselves. The funny thing is, it seemed to be over very quickly, despite lasting over three and a half hours.

The things I remember most are the people, both fellow runners and spectators, who made the occasion so special. All are so generous, be it with words of encouragement or slices of orange. Also, who could fail to be humbled by the wheelchair athletes like the lad with no arms or legs, whom we all cheered as we passed. I saw people suffering too, but always with a determination to finish if they could.

I had a great day. I finished in(officially) 3 hours 35 minutes, in a mere 7690th place(but I did beat Jimmy Saville). Best of all though, I raised £745 for the N.T.P.P.. Thanks to all who sponsored me, to all who helped in finding sponsors, and especially to my family for their help and support in the months of training.

Nigel Trotman.

THE VERDON PLAYERS.

On Tuesday May 23rd, we held "An Evening in May".
This was a most successful evening, consisting of two light-hearted plays - Honeymoon for One, and Dear Departed, also sketches and monologues. We served a cheese and salad supper. From the money raised by this event we are sending £65.00 to the Leicester Mercury and Radio Leicester COPE appeal.
Thanks to all who supported this event.
Clive returns to us flushed with the success of his recent run in "The Country Wife" by the New Theatre Players. Welcome back Clive-we've missed you!
Our next production will be in October, details later.

ROUNDERS TOURNAMENT

The second Newbold Verdon Rounders Tournament proved just as successful as the first, with 24 teams entered.

On the Thursday evening it was the 8-11 year old and the 12-15 year old competition; whilst on the Friday the 16+ and veteran age ranges battled it out.

In the 12-15 years competition the General Accident "B" team came out on top, though judging by the way they dressed they looked liked they'd just walked out of Leicester Royal's casualty department !

The 8-11 was won by The Magic Rounders Bats, (they also won the team with the most imaginative name). It was terrific to see so many younger members of our community taking part, and doing so in the right spirit. What a pity some of their parents and adult helpers saw fit to question umpires' decisions. What lessons were the children learning from this, I wonder?

Friday evening saw an invasion of the field by red-indians, war casualties and even a few ladies and gentlemen of the road; there was also room for a few conventionally dressed rounders teams. When the evening had finished, The Running Bears had won the 16+ category, and The General Accidents "A" team had taken the veterans shield.

The over all winners of the Tournament were The Running Bears, with an average rounders rate of 10.

St. Greg's Catholic Church.

Do you ever feel that your faith needs a bit of a Spring Clean, that you need to take a fresh look at things or delve a little further? A few months ago a group of St Greg's parishioners started an informal discussion group, meeting in the comfort of their own homes. The objective was to explore their faith more fully and to provide a means whereby others could come along and find out what's happening in the Catholic Church today.

The outcome was that on Whit Sunday we had the pleasure of witnessing four people (3 christians and a hindu) being baptised into the Catholic faith. A happy occasion because four people had obviously found something which brought them comfort and joy; but also perhaps an occasion tinged with sadness. It emphasised the fact that after 25 years of actively pursuing the aim of christian unity, christianity is still as divided as ever. Okay, so we hold united services from time to time but nothing's really changed has it? Perhaps one day unity will become a reality but until then if anyone wants to know more about today's Catholic Church let me know and I'll put you in touch with 'the group'

OUR CO-OP MILKMAN

We all love our daily pintas,
Delivered to our door,
And that they will be there on time
You are always sure.

For while the stars are still peeping
Quite often it is found
That when we are in bed and soundly sleeping,
John is already on his round.

When you awake and daylight see,
You think, "I'd love a cup of tea"
On goes the kettle, tea measured in pot
Fetch cups, milk and sugar, that's the lot.

But do you ever give a thought
To how your pinta has been brought
Carefully to your door each morning
Just as each new day is dawning.

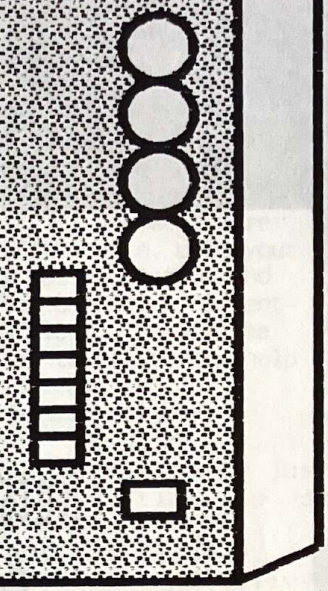

Whether there is sunshine, hail or rain,
Or snow thick underfoot,
When you open wide the door
You'll see your bottles there are put.

So when John comes on Friday
Pay for your pintas with a smile
Let your Co-op milkman know
That his hard work is all worthwhile.

METHODIST CHURCH AND SUNDAY SCHOOL.

On Sunday 14th May we held our Sunday School Anniversary services in the afternoon and evening, and both of these services were well supported. Mr. Iain Hoskins was our speaker at both services. This year the children were accompanied by guitar and keyboard as well as piano, and there was no doubt that the children preferred this. We're sure everyone who came to the services was well and truly blessed.

On Saturday 10th June, we had our annual Sunday School outing, and this year we went to Wicksteed Park.the weather, if not hot, was kind to us, and we had no rain. We filled two coaches with children and adults, and still there were people who had to go in cars. Everyone seemed to have a very good time, but we're sure most of the adults were exhausted, judging by the number of closed eyes on the coaches going home. Amazingly we had no real casualties, although one unfortunate lad slipped on the bumper boats and fell in the water up to his waist, and one girl in the party was sick on the "Umbrella "ride. They both still said that they had enjoyed the day!!

The Sunday School will be entering a float again this year in the Scouts Gala Day Parade in August, so if any parents of our children would like to help please ring Desford 3593.

On Friday 18th August from 10.00am until 12.00 midday, the Junior Missionary Association are holding a "Fun Morning". There will be cakes, refreshments, wet sponge throwing etc. Everyone will be made very welcome.

There will be no Sunday School on 2nd,9th and 16th July but we shall be reopening on the 23rd July. Our normal Sunday morning services will be held as usual at 10.30am

Parish News

The vacancy on the Parish Council has now been filled, by Mr Ross Kendall of Dragon Lane who was duly elected and attended his first meeting in June.

There are several vacant allotments on Brascote Lane, at an annual fee of £3-50 you could have one by contacting Mr Mike Preston of the Montague Trust if interested.

If stray or loose dogs are causing you any problems in the village the Borough Council employ a full time Dog Warden who can be contacted on Hinckley 38141.

Graffiti has started to appear in some areas of the village.If anybody is seen defacing public or private property and their names are reported to the Police or the Parish Council they will be prosecuted.

The Parish Council has confirmed that Mallory Close open space is not to be used as a games area following a parishioners question as to its designation.

If you are concerned about the security of your home why not join a neighbourhood watch scheme. Sgt Studley based at Coalville Police Station ,Tel Coalville 36300 will be pleased to give advice and information. It is particulary suggested that Senior Citizens take advantage of this service.

The 1st round of judging of the " Best Kept Village " competition has now taken place and we should all be [illegible] the need to not drop litter and strive to keep our village clean and tidy.

The next Parish Council meeting will be on Monday the 3rd July at 7.30in the Pavilion on Alans Way Playing Field.

ON THE VERDON BEAT

"Evenin all!" Going on holiday? Lucky thing! But just stop and think for a moment. The thief never goes on holiday. Make sure that you do all you can to make it more difficult for the burglar and there will be a happy home-coming for you.

Years ago, the Police would "keep an eye" on your unoccupied house, but in today's society, that would be almost impossible. So here are a few simple rules.

1. Ask a friend or neighbour to regularly check your house, and be responsible for the keys. (You could do the same for them, when they go away).
2. Cancel your milk and papers. A simple rule,but often forgotten.
3. If you have locks on your windows, and in particular, your patio door, then use them.
4. A cheap time switch could be fitted to an internal light. This would cause any would-be intruder to think twice!

These are only a few basic rules. If you want more specific advice, call your local Police Station and ask for the Crime Prevention Officer. He will be pleased to offer free help and advice.

BROWNIES

It was a cold start to the day on Saturday,20th May, when the 1st and 2nd Newbold Verdon Brownie Packs went on their first joint outing to West Midlands Safari Park.
Everyone was nice and early and we left at 9 a.m. prompt About 10 o'clock, out came the sun and by the time we arrived at 10.30, the day was warming up nicely.
Firstly we fitted up all the Brownies with their wristbands and then it was time to go around the animal compounds. The antics of the monkeys scampering all over the coach had the Brownies squealing and a friendly giraffe popped his head into the driver's window to say hello.
After we had seen all the animals, we parked the coach and had our picnic lunch.
Then the best - the fair!
As it was an Open Day for Brownies all over the county, it was hard to keep and eye on our Brownies as everyone was dressed the same.
We arrived back in Newbold at 6.30, tired but happy.

BROWNIES' NETBALL

On Sunday, 21st May, the annual Girl Guides Netball Tournament was held and this year they let the Brownies play too. We each had to play three games and the results were:

1st Newbold 3 Mkt Bosworth 0
1st Newbold 3 Sheepy Magna 1
1st Newbold 0 2nd Newbold 11
Sheepy Magna 0 2nd Newbold 2
Mkt Bosworth 1 2nd Newbold 3

Because 2nd Newbold Brownies won all three games, they were the outright winners and went home with the trophy which they keep for one year. So well done to Marie Paterson,Karla Wentworth, Fay Kelham, Felicity Rivers, Annette East, Ruth Gerard, Rebecca Osborne, Amanda Cockle and Samantha Hoy for playing so well.

DIXON-WOODS SCHOOL OF DANCE

The Principal of our school, Miss Michelle Dixon-Woods, took five senior girls and a senior boy to perform in Cabaret at the opening of Devon Cliffs new 'Capones' nightclub for Haven Holidays.

We performed a Can-Can and a dance medley consisting of a Charleston, Rock and Roll and an 'up to date' modern routine in front of an audience of 1400.

We appeared with the Ivy League, Paul Melba (from the comedians) and Devon Cliffs' resident dance band.

All went well and the audience appreciated our performance.

We hope to be invited back in the not to distant future.

Many thanks are given to Miss Michelle and her husband Gary for giving us such a fabulous time. It was a weekend never to be forgotten by all of us.

The cabaret dancers were: Angela Ord, Lisa Battle, Michelle Dewick, Katrina Allison, Helen Fowkes and Timothy Stanton.

LINDA WILLIAMS ACADEMY OF DANCE

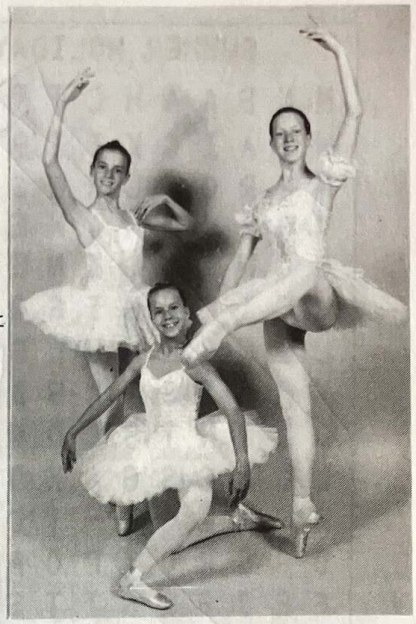

Exams taken in Royal Academy Ballet and Imperial Society Modern and Tap have been extremely successful. Both these associations are recognised by The Council for Dance Education and are two of the best in the World for dance.

In R.A.D. Major exams Louise Whitehead, 14 and Kelly Boustouller 13, gained highly commended for their Pre-Elementary and Louise Whitehead, who has received all her training at the School and only been dancing full-time for 2½ years, passed her Elementary at the first attempt.

In I.S.T.D. modern and tap grade exams all pupils gained either Honours (the highest mark) or Highly Commended, 70% gaining Honours and 30% Highly Commended. Congratulations go to all pupils. We are now preparing for a full day of R.A.D. grades and major exams at the end of June.

At the Leicestershire and Birmingham Festivals the School was awarded 28 trophies and awards, 41 1st place medals, 28 2nd place medals and 15 3rd place medals. Michelle Shuttleworth won the Leicestershire Junior Modern Championship and Kelly Boustouller was runner-up in both the East Midlands and the Leicestershire Senior Ballet Championships. Three pupils have gained places at the National Finals, in London, of the Janet Cram Awards for modern dance and are looking forward to representing the School there in July.

Pupils thoroughly enjoyed performing at Barlestone Gala Day on 10th June and are looking forward to performing at Market Bosworth on September 28th in a show to raise money for Cystic Fibrosis and also at Newbold Verdon's 'Verdon on View' on 28th October. In this we will be demonstrating class work and festival work to show the high standard which can be achieved through dedication and lots of fun. You are warmly invited to come and enjoy the evening with us.

Trip to Derbyshire

Where were you all ?
What a trip you missed.

Walking in the dales; cycling over the tops; promenading through Buxton and finally taking the "waters" at Hartington. "How much for all this?" I hear you ask. £3 adults, £2 children.

Where to next ?
How about a day trip to **SKEGGY** in September ! Look out for posters in early August.

Three cheers for the driver.

N.V.C.A. CAR BOOT SALE

The Car Boot Sale,held on Sunday,14th May at the school proved to be even more popular than the last, with over 700 people buying from the 40 car boot sellers.
The weather was ideal, and the children were kept happy with the Bouncy Castle,kindly loaned, free of charge, by Leicester
Alliance & Leicester Building Society.
The picture, donated by Mr Paddy Brennan, was raffled, raising £15.
Over £400 was raised at this event. Our next Car Boot Sale will be held on Sunday,3rd September, so after the hols, take a look in your attic. Junk to you, could be just what someone else has been searching for!! You could be in for a surprise, so why not give it a go at our next Car Boot Sale?

SPECIAL OLYMPICS

In August, the Leicester Special Olympic Games,1989, take place at Saffron Lane Sports' Stadium. It is the 3rd National Games for people with a mental handicap.
Too often, such people are told, "You can't do it." Special Olympics says, "You can do it. All you need is a chance."
So are there any residents in Newbold, able to help this worthwhile cause?
During the Games, all sort of help will be needed to make these Games a deserving success.
One practical way could be to "Adopt an Athlete", which is what the Men's Keep Fit has done.
The scheme is simple, but effective: a £20 donation would result in a certificate sent from the organisers giving you details of the athlete allocated to you or your group. You could then watch their progress through the Games, knowing your money has gone towards that athlete's training and sports' kit. What a great idea!!
Anyone (or group) interested can give the New Walk Centre a ring on Leicester 549922, extension 7396, where Terry Harrison or Gordon Baxter would be pleased to answer your call.

Letters to the Editor

Dear Ed,
As a resident of Newbold Verdon, I felt I should say "Well Done" to all my fellow villagers, who are taking so much care to make their gardens look lovely.
It is a treat walking round the village in this beautiful weather, to admire all the hanging baskets and urns now coming into flower (incidently, I do not seem to be having to watch where I tread, so much, these days).
Keep it up, everyone. J.D.

Its nice to see that someone else has noticed the improvements.
Ed.

NEWBOLD VERDON JUNIOR FOOTBALL CLUB.

This seasons Presentation evening was held at the school on June 3rd. Club President Malcolm Mould opened with a short address and then handed over to the Managers who related the successes and disappointments of each team before presenting the awards.

UNDER 10's

Roger Boreman and Terry Satchwells young team started off with two defeats but then recorded four straight wins. Unfortunately 'keeper Lee Powell, was injured and unable to play for the rest of the season. Five different 'keepers were used as the team, although showing good skills, failed to sustain mid-season form finishing eighth out of ten in the league.

They were knocked out of the County Cup early on and failed to qualify for the later stages of the League Cup.

On the whole it was a pleasing season for their first year. Leading scorer was Jamie Cockram.

UNDER 12's

At Under 12 level Ricky Bell, manager, led his team to a successful season although they were unfortunate to draw strong teams in the Cup competitions and made an early exit from both. The league programme was more to their liking and apart from a few mid season stutters and a nail biting finish they ended the season League runners up to Mkt. Harborough in Div. 3 of the Leicester League.

Top goal scorer was Brian Carr.

More success came in 6-a-side competitions winning one at Whitwick and losing one to a last minute goal in the semi-final at Blaby/Whetstone Boys Club.

UNDER 14's

The management team of Dave Fowkes and Roger Goddard were the highlight of the presentation evening, a triumph of ad libbing.

After winning 4 games out of 5 the team hit a bad patch losing the next 7 games. Results improved again towards the end of the season and they finished mid-table.

We would like to say thank you to the team and all parents who have helped with transport etc.

Under 15's

In their final season with the club, the Under 15's, managed by Ron Neville, had their worst season since starting at Under 10 finishing bottom of the league.

Several players left at the start of the season. However, the team spirit remained high and although they conceded 54 goals and scored only 8 everyone enjoyed themselves.

The main awards of the evening were: Player of the Year, Most Improved Player and Sportsman of the Year:-

Under 10's - Neil Bateman
Steven Vann
Tim James

Under 11's - Adam Crowfoot
Tom Butler
Graham Richardson

Under 12's - Russel Bates
Neil Rogers
Matthew Kind

Under 14's - Mark Bollands
Alex Ward
Craig Newbold

Under 15's - Nigel Tarrant
Mark Buckmaster
Mark Hulbert

After the presentations the less formal part of the evening commenced with the disco, barbeque and bar providing entertainment for the rest of the evening.

SIX-A-SIDE COMPETITION

On Sunday 11th June the Leicester League held its Annual Under 10 six-a-side competition at the school, this being the fifth consecutive year that we have hosted this event. In all twenty teams were entered, our Under 10's entering two teams. With a large crowd and the sun shining it turned out to be a very successful day, the first game kicking off at 10 a.m. and the Final finishing at 5.30 p.m. The Newbold A team played exceptionally well to reach the quarter final where they lost one nil to the eventual winners Burbage.The B team had mixed results losing one, drawing one and winning one.In the Final Burbage overcame Mowbray Rangers winning by two goals to one, (the only goals Mowbray conceded in the whole competition).

As social secretaries for the club we would like to thank all who helped to organise the above events or who helped at the presentation evening and six-a-side competition. A special thanks to Judy Hardy whose help and advice made things a lot easier.

Lynda & Mick Harding - social secretary.

"NEIGHBOURS OF NEWBOLD VERDON"

SPECIAL THANK YOU

We were very grateful for the response to our request on Radio Leicester for Australian records.

AUSTRALIAN EVENINGS

9th & 10th June saw two most enjoyable and different evenings of dancing and entertainment, held together ably by D.J. Geoff Stanbridge.
A lot of hard work had obviously gone into the evening,both decorating the hall and preparing the entertainment.
The Beach Barbie atmosphere was greatly enhanced by the number of people flaunting their bright Bermuda shorts!
Do you think we are becoming less inhibited in Newbold?
The barbecue itself produced food well and quickly prepared for the hungry party-goers. It was perfect 'barbie' weather.
The only hiccup during both evenings seemed to be when the beach balls were consistantly aimed at the D.J.
For those of you who attended, here's hoping you enjoyed yourselves and for those who missed the event, here's looking forward to the CALYPSO EVENING!

This silly fool is having fun, playing silly games.
Could it be Les Patterson?
Of course not.
It's CHRIS JAMES!
