Parish News

After 24 years a dream was realised when Hinckley and Bosworth's Mayor Mrs Rita Aldridge officiated at the opening of the Alans Way Playing Field. Mrs Aldridge in a short address praised the efforts of the Parish Council and the Newbold Verdon Residents and said she thought the facility was absolutely marvellous. Afterwards Marie Walsh presented her with a bouquet of flowers. Refreshments for the official opening were provided on behalf of the Parish Council by Mrs Helen Francks.

The day started bright, clear and warm and remained the same throughout a magnificent six-a-side cricket competition, organized by Mick Jones. Villagers were in a festive mood, the childrens needs were well catered for in the shape of a bouncing castle and barbecue. All in all a super atmosphere and our thanks to everyone who helped out and attended.

The village has reached the semi-finals of the "Best Kept Village" competition. The effort by all the villagers to keep the village clean and tidy is now taking effect. Let's try and keep it up and we could win again this year.

Planning permission has been applied for three houses on the Paddock off Main St. The Parish Council are very much against this proposed development on the basis it is outside the village plan and the Council are against any further incursions into the country-side.

The next Parish Council meetings will be on Monday the 4th September and the 2nd October at 7.30 in the Pavilion on Alans Way Playing Field.

THIRD NEWBOLD LITTER PICK

See you all at the Post Office at 10am, on September 17th, armed with rubber gloves, stiff brushes, etc. etc. Let's make it the best yet.

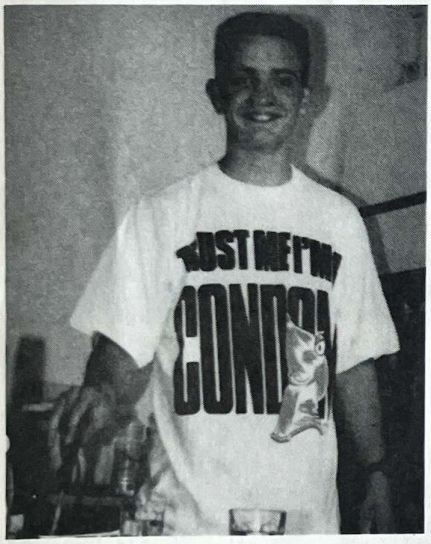

The village is certainly looking much better for all our efforts.

Verdon in Bloom

Firstly, a vote of thanks to the Shops, Library, Swan and the many individual house-holders whose floral displays have so brightened up our village over the last few months. Unfortunately, the lamp post baskets haven't been quite the 'blooming' success we had hoped for. Especially disappointing after all the hard work done in planning and then daily watering. However, we have made a promising start and can certainly learn from this year's problems.

The VIBA committee are now planning for 1990 and our next meeting will be on 19 September at 8.00 p.m. Alans Way Pavillion. If you would like to get involved with the initial planning for next year, please come along.

1st NEWBOLD VERDON SCOUT GALA DAY

Gala Day has come and gone once more. The weather was on our side and everyone had a good time.
Six floats entered the parade, with the 1st Prize going to the CUBS, with "The Battle of Bosworth"; 2nd to the W.I. with "Stone Age" and 3rd to the SCOUTS & BEAVERS who were "The Pirates of Newbold Verdon". Charnwood Pipe Band led the parade around the village and onto the recreation ground, where Mr & Mrs Mould opened the

gala after presenting the prizes for the floats. The Committee would like to thank everyone who, in any way, helped to make the event such a success.

Group News

An active period has just passed with the Scouts, for the first time, helping the Beavers on their float for Gala Day. They also produced their own side stalls for the day and laid on a small area display. Four lads have also completed part of their Chief Scout Challenge by walking part of the Leicestershire Round so look out for the presentation of their journey and projects during Verdon on View Week. A group of younger lads have just been on a 3 day camp at Johns Lee Wood, rumour has

it that they discovered a new way of cooking spaghetti by placing it in cold water and bringing to the boil.
We are now looking forward to a visit to the Leicester Air Show and a camping competition
Bermuda Shorts party what's that? Well it's a Beaver Scout meeting to start off the hols. shades were order of the day. Boys and leaders turned up brightly dressed to start the FUN yes I think Mark Deacons shorts were the brightest. There was a lot of hard work to be done in the meetings to follow fish, parrot and leaf

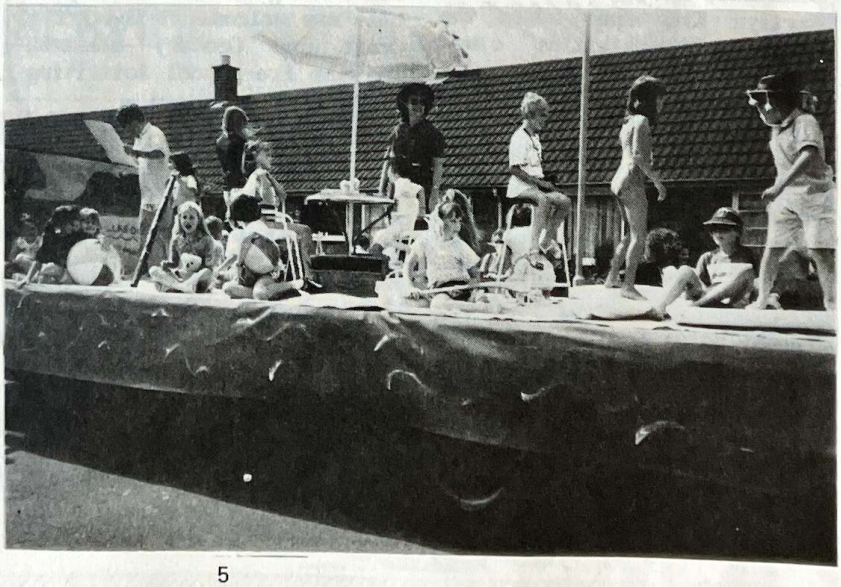

making. It was worth the work to board the float on Gala Day and join in. Thanks to the folks who helped us.

RAINBOW GUIDES

In August we are starting a Rainbow Guide Unit, in Newbold Verdon, meeting at the Primary school on Thursdays. Rainbows are the youngest section of the Girl Guide Association for girls aged 5-7 years.
We can only take 10 girls to start with so the unit is already full. If another Guider can be found we will have more places available after Christmas. A waiting list has now been formed - if you would like your daughters name added to it or if you would like more details please contact Maureen Dixon (2820) or Ann Jones (3841)
As this is a new unit we need to buy lots of equipment e.g skipping ropes, crayons, paint, scissors etc. If anyone can help in any way we would be very grateful.

PRESCHOOL

There were sad faces at the end of the summer term at Newbold Verdon school as the pre-school children said goodbye to two of their teachers who are moving on.

Anne Constable has been connected with the pre-school for many years, taking a wholefood cookery class on Friday afternoons and helping with the summer playscheme. There are many budding chefs that can produce biscuits in every shape and flavour possible that have passed through her class. Anne has now taken up a post at County Hall as a Home Economics advisor.

Marilyn King has taken the pre-school activities class for a couple of years now, preparing our 'rising 5's' to adapt quickly and easily to school life. She is now teaching at Swannington Primary School.

I don't think that I'm alone in thanking these two ladies for their wonderful contribution to the educational activities of the pre-school children of Newbold and I wish them well in their new jobs.

Just because Anne and Marilyn have left does not mean that pre-school classes come to a grinding halt - they are carrying on as before with a few adjustments.

Starting (we hope) on 4th September, the classes are as follows:-

MONDAY 2-3pm ART & CRAFT SUE REEVES.

TUESDAY 1.30-3pm PRE-SCHOOL ACTIVITES GILL HAINES.

WEDNESDY 1.30-3pm PRE-SCHOOL ACTIVITIES GILL HAINES.

THURSDAY 2-3pm ART & CRAFT SUE REEVES.

FRIDAY 2-3pm WHOLEFOOD COOKERY JEAN COLLINS.

Details are correct at the time of going to press, but keep an eye on the Bosworth College Prospectus and notice boards for minor changes.

Don't forget, ALL 3-5 year olds are welcome at the Art & Craft and Cookery classes, and the Pre-school Activities Class is aimed at the children due to start school the term after they come into the class.

Jenny Webster

PETER PAN PLAYGROUP

The Peter Pan Playgroup were invited to the Primary school to see their school production. The children loved it and were very good joining in with some of the songs and actions and also seeing some of their friends who now attend the primary school. We enjoyed our visit very much.

If you would like your child to join our playgroup we have some places for the Autumn Term. We try to give the children different activities to do e.g painting, colouring, songs & games, jigsaws, sand, large and small toys to play with and if possible we try to make something different each week using an assortment of materials.

You are welcome to call in and see us anytime in the morning or 'phone Desford 4705 for further information.

PAYSCHEME

This years playscheme was thoroughly enjoyed by over 200 children and it was voted a great success yet again.
The three fun castles were firm favourites although the heat made it hard work for the adults supervising them.
The tuck shop had permanent queues for sweets, fresh fruit and ice poles (over 1000 were sold on the first day !)
The Art & Craft and clay rooms turned out some brilliant work, and the children made some very tasty biscuits, pizzas etc. in the cookery sessions. Coach loads of children enjoyed trips to the Zoo, Birdland and the Canal to name just a few of the activities on offer.
We would like to thank all the helpers - especially those who turned up every day - without them the playscheme would not be possible. We hope we can repeat it again next year.

N.V. CRICKET CLUB

The cricket season has almost finished and has been enjoyed by both teams. The results have not always been as good as we would have liked, but we are hoping for better next year. The U18's reached the semi-final of the Bevin Cup but were knocked out by Hinckley Amateurs.

On 13th August we held a 'Lads v Dads' which was enjoyed as much by the spectators as by the players. The players devoured the tea provided by the fund raising committee and managed to play through the rain. (The Dads are keeping quiet about the result !)

On Saturday 16th September we will be holding a Rummage Sale / Coffee morning at the Methodist Church to raise money for kit replacements etc. Our end of season Presentation Evening will be on Saturday November 18th at Bagworth W.M Club. There will be a disco and buffet. Further details and tickets will be available later from Maureen Dixon (club secretary)

We would like to take this opportunity to thank everyone who has helped the teams in any way and supported them throughout the season.

ROUND TABLE NEWS

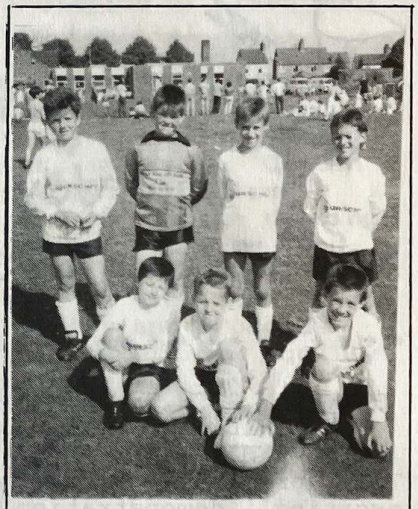

This long,hot summer has been an active one for Round Table.However,back at the beginning of June it poured with rain for our annual visit to Av-a-go Karting on the Six Hills.Difficult enough to control anyway these primitive craft become a real challenge when "idiots" are spinning to face oncoming karts.
All the more confusing when a visiting Round Table Area Chairman from Hagley in Birmingham inadvertantly wore his crash helmet back to front and really did not know whether he was coming or going!

In July at the Huntingdon Regatta the weather was glorious for the punt racing and ably assisted by our Chairman's navigational ability we put up a credible time.

"Call My Bluff" at The Queen's Head,Nailstone was a huge success and hopefully will be repeated soon.

In previous years one of the major events in the Round Table calender has been the "staging" of "It's a Knockout" at Mkt.Bosworth Carnival and also last year at Newbold Verdon Family Sports Day.
This year we were asked to turn it into a "Grand Medieval Spectacular". Well it was a "spectacle" and thanks to the efforts of Round Tablers and Ladies' Circle we now have a new and extremely entertaining format.

On a more serious note we have recently organised the bar at Oadby and Wigston Show and a Barbecue at Congerstone where not only the salads but also the band and disco were provided by the "talents" of members of Round Table and Ladies Circle.
These two events will have raised a substantial amount of money which will be donated to local charities.
Round Table is for young Businessmen and Professional men aged between 18 and 40,who want to make new friendships, develop skills of business meetings procedures, participate in new leisure and sporting activities, as well as providing an ideal oppor tunity to serve the local community.
Members must retire at 40, consequently we are constantly seeking young fresh blood.
If you are interested in attending a meeting as a guest in order to see how Round Table operates please contact either Chris James on Des.3123 or Andy Davidson on Mkt. Bos.291805.

The Newbold 'A' Team who reached the quarter finals of the Six-A-Side Competition in June. Well done, lads!

Pupils recently took part in the Charnwood Festival for the first time. Although only seven pupils were able to enter, between them they won 4-1st, 4-2nd and 5-3rd place medals with 9 of the dances performed winning places in the All England Semi-Finals. Taking part in the 10yrs and under Duet Section were tiny Kate Darby and Sarah-May Elliott, both 5yrs old. They surprised everyone by coming third against children much older than themselves.

13yr old Michelle Shuttleworth won her Acro section and tied for the Acro Cup for the highest marks overall.

A full day of Royal Academy Ballet grade exams on June 27th was 100% successful with 70% of pupils gaining Honours or Highly Commended (the two highest marks attainable)

Well done every one involved!

ST JAMES CHURCH

Garden Fete.

This event,on a fine sunny afternoon,was extremely well attended. It was opened by two former residents of the village, Rev. Stephen Twycross and his wife Jess, who used to teach at the Primary School. The stalls, tombola and side shows, set out in the Rectory Garden, all did well and there was a brisk trade in ice cream.

The ladies serving the tea from the kitchen , were at full stretch for the whole afternoon.

The fete raised £1,072 gross, £1,000 net and our thanks are due to all who supported it in any way.

Grand Summer Draw.

This was a record draw in every way.It raised £392, £20 up on last year, and we had a greater number of prizes at 31. On the fete afternoon we sold all the books of tickets we had left. A list of winners is displayed in the Post Office window, and also appears in the Church Parish Magazine.

From the properties for sale column of a Cornish newspaper I have been sent this advertisement: Chapel,suitable for conversion. All main services.

METHODIST CHURCH

Our Sunday School was closed for three Sundays in July, but we re-opened on the 23rd,and were very pleased to have such a good number of children attending during the rest of July and August.

A Fun and Coffee Morning was held on the 18th August to raise funds for the Junior Missionary Association. This event consisted of a cake stall,craft stall wet sponge throwing, to name just a few of the activities! It was lovely to see how enthusiastic the JMA collectors(children) were about the event.

We have had two very happy events to celebrate in our Sunday School.Lindsay Chapman (nee Wilkinson), one of our teachers, gave birth to Daniel John in July, and Clare Bowen & Robert Statham, two more of our teachers, were married in August.

St Greg's Catholic Church.

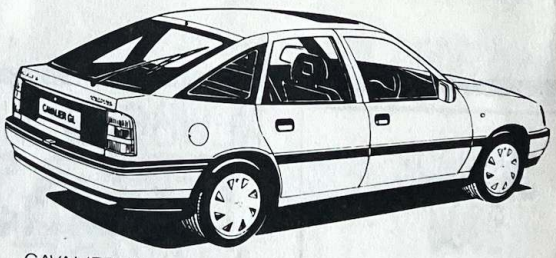

Hey, guess what; our PA system broke down recently and for several glorious Sundays I was again able to get a catnap in during the sermon; a pleasure denied me for many months (see VV No7). Mind you, a Sunday or two ago we had an unexpected treat. Terry Fellows announced that he wasn't going to preach and 5 minutes later, when the cheering had died down, he introduced Teresa Ridge.
Teresa worked until recently as a teaching Sister in a part of Zambia where the population live at well below subsistance level. She spoke of the terrible hardships endured by these people and of the seemingly hopelessness of their situation. She told of how physically and emotionally draining the Sisters find it, trying to feed and educate children who have a less than 50-50 chance of reaching teenage years. "The people rarely smile or laugh; there is little to be happy about when you are slowly but almost inevitably dying of malnutrition and/or starvation."
Over the last 12 months we have donated £500 for overseas aid while at the same time spending £1100 on a car park extension. Well, obviously, having somewhere convenient to park the car must take priority over filling empty bellies. Recently a Hinckley chapel proudly proclaimed the completion of a £180,000 refurbishment programme. Probably their new luxurious surroundings will help them pray more fervently for those who have nothing. Does make you wonder though how much we, 'the christian haves', really care about the worlds' 'have nots'.

Paul French.

Notice read from the pulpit of a church in Sheffield :
"The healing service to be held next Sunday will be taken by myself .
The healer who was to have come, has gone into hospital for an operation."

but not in join,
My sixth is in penny
but not in coin.
If these clues don't
help, then don't dismay,
Think of me during your
next birthday.

My first is in son, who
is also a boy,
My second in box, but
not in toy,
My third's found in furry
but has no fur,
My fourth is in girl
who is also a daughter,
My fifth is in egg
laid by a hen,
My sixth is in one, seven,
nine and ten,
If you haven't guessed yet
then here's a clue,
Without it there would no
longer be you!

My third is in car and also in train,
My fourth is in mad but not in sane,

My sixth is in bows but not in boys.

Wherever you go, it will be with you.

As I received no answers to these, I have kept the prize for myself!
