Ed's Spot

Is anyone out there? Does Newbold Verdon deserve a quality village newspaper? Is the Verdon Views' team wasting its valuable time by trying to keep the village informed of what's on?

From potentially 4,500 readers, we had only two letters in reply to our request in Issue 14's "Ed's Spot", with up to £3 per letter offered, and not one response to our Cash Prize Quiz on Page two, which offered a £10 prize!

PLEASE, PLEASE, PLEASE write to us. Surely someone must have something of interest to tell the village, or maybe you'd like to criticise us on what we are doing. Let us know. Come on, put pen to paper; it's easier than you think.

FAREWELL TO IRIS

On December 15th a surprise party was held for Mrs Iris McCullan who, after 11 years of service was leaving as relief post lady in the village.

Sub Post Master, Derek Williams, presented her with a lead crystal bowl, a bouquet of flowers and a cake made in the shape of a post box to remind her of her service with the Post Office.

The party was attended by local people amongst whom was Rev. Fox.

Iris is now patrolling the school crossing in her shining white coat. We wish her good luck and happiness for the future. She has been a pleasure to work with and a wonderful friend.

Thank you Iris for everything from all the local people, your work colleagues and your 'boss' Derek.

GRAND BLITZ BALL - SATURDAY, 15th SEPTEMBER.

N.V.C.A. have booked Bosworth College as the venue for a 1940's style ball (this year being the 50th Anniversary of the Battle of Britain).

There will be a 12 piece band with singers, who will be attired in the 40's style dress and we hope to decorate the hall to add to the atmosphere.

We are investing a considerable sum of money into this venture, but as the band are expecting to bring their own "fans", we anticipate a big demand on tickets, as numbers will be strictly limited.

********WATCH VERDON VIEWS FOR FURTHER DETAILS ********

BALLROOM DANCING

A considerable amount of interest has been shown regarding a series of social evenings with a ballroom dancing theme. Two Fridays - 2nd & 30th March have been booked at the Primary School from 8 to 10 p.m.
The cost will be £1 per night - all profits will go to the N.V.C.A.
There will be some basic tuition for beginners, and a chance for the 'experts' to practise their "whisk & chasse" in readiness for the Grand Blitz Ball.

If you would like to come along or if you wish to know more, please contact John Croasdale on Desford 2805.

Here is another small competition for you budding writers. Look carefully at this short passage, and decide how many SPELLING MISTAKES you can find. Then write the words (spelt correctly) on a piece of paper, drop it through 38 Main Street's letter box, and all those correct will receive a prize. The winners will be announced in the next Verdon Views.

Baptist Church

Mothering Sunday, March 25th, at 10.30a.m. will be led by Mrs.S.Webb, of Coalville.

The Sunday School Anniversary on June 3rd at 3.00p.m. will be led by Scholars and Teachers.

Rev.S.Webb, of Coalville began his Ministry here at Newbold Verdon Baptist Church. On Sunday 28th January he led a special service to mark the completion of 40 years (almost to the day!) The service was well attended by old scholars and friends from many local churches. A nice touch was introduced when Rev. Webb presented his wife Janet, with a small gift in appreciation of her steadfast support over the years. Two young people from Coalville sang to us unaccompanied and the congregation was in excellent voice.

Methodist Church.

Our Sunday School and Youth Fellowship parties this year will be on Saturday 10th March. They will once again take the form of a disco. The children (and the adults) always enjoy themselves immensely at this annual event.

On Sunday 25th March, Mrs. Joan Ledson will be leading us in worship at our annual Mothering Sunday and Easter Egg gift service at 10.30am. During this service all the ladies present will receive a small bunch of flowers, and the children will bring small gifts of Easter eggs, chocolates, etc. to be given to a Charity.

After this, Easter will be almost here.

Our Easter services this year will be as follows: Communion on the evening of Maundy Thursday 12th April. Service on the evening of Good Friday 13th April at 7.45 pm.

Easter Sunday:

8.00 am Communion
9.00 am Breakfast
10.30 am Family Service and Communion.

A date for your diary which we all look forward to, is our Sunday School Anniversary on Sunday 13th May.

St Greg's Catholic Church.

Not having a local place of our own, makes it difficult for Newbold's Catholics to establish themselves as a christian community with its own identity. This in turn inhibits formal relationships with other christian groups within the Village.

One way we get around the first problem is to hold house masses from time to time. Mass is celebrated in the comfort of a local home, very informally and in a very relaxed atmosphere, followed by tea/coffee and a chat. This, for me, is a far more meaningful way of worship than the necessarily more formal church service, and must have been how the early Christians met together.

Our next house mass will be at the home of Bridget, Paddy and Angela Brennan, 39 Desford Road, on Wednesday, March 7th at 7.45pm. Everyone is welcome whether Catholic or not. Just 'phone Desford 4752 beforehand to give Bridget and Paddy an idea of numbers. I'm sure you will find it a very pleasant, relaxing and, hopefully, spiritually uplifting evening.

Yet another date for your diary. Charity Ceilidh/ Barn Dance, March 3rd Dixie Grammar School Market Bosworth. Dancing to Bodgers Mate. Bar. Tickets to include light refreshments, £4, (£3 unwaged) from 3 Peters Avenue or 'phone Market Bosworth 290783.

PARISH COUNCIL NEWS

With 1990 targeted as National Clean up Year, we are endeavouring to purchase land on the corner of Main St and Arnolds Crescent so that we can keep it clean and tidy.

The total proposed Budget for the Parish Council's year 1990/91 is £23,025. This sum is used to maintain and improve Dragon Lane Recreation Ground, Alan's Way Playing Field, the Cemetery and Church Yard, Mallory Close open space, the War Memorial, as well as general expenses in and around the Village. In addition money has been allocated towards the Toddler Park Project.

This Months Grouse

Some developers new to the Village are disregarding the agreements made not to remove trees on new housing sites. If they would show a little more sensitivity to the residents views this would help to promote better relationships.

This Months News

Play equipment on Dragon Lane Recreation Ground has been inspected and a report has been submitted as to work to be carried out, further details in future news letters.

The maintenance contract for cutting grass etc, has been awarded to W. D. Harding and Sons and we are sure that 1990 will show an improvement in the upkeep of Council land.

It was decided to investigate provision for an extension to Alan's Way Pavilion following a request from the Cricket Club for extra storage facilities.

Vegetable/Flower growers are invited to apply for vacant plots on Brascote Lane Allotments. Anyone interested should contact Mr Mike Preston, 20 Main St, Newbold Verdon.

Finally here is an answer to a letter in this edition of the Verdon Views.

Well Janet, thankyou for the letter and your welcome comments about the Village entertainment. The Parish Council has been flooded with puns about Ugly Ducklings and Ballet Pumps. This time we are on your side, we have pursued this watery problem on many occasions over a long period time and eventually Mr Casswell our local County Councillor tells us that "remedial" Drainage work will be carried out by the County Council before the end of next month. Could this be a case of "Beware Of The Eiders Of March".

Next Parish Council meeting Monday 5th March 1990 at 7-30 pm Alan's Way Pavilion.

St.James' Church

Bishop Godfrey is taking a Confirmation at St.James' Church on 17th June. Any people who wish to be prepared for Confirmation, should contact the Rector immediately.

For details of the United services to be held over Eastertide, please refer to the Diary of Events.

ROSS KENDALL would like to thank all his friends for their concern, help and cards during his recent illness.

COMPETITION WINNER !!!

The winner of the 'Guess the Year of the photograph' in issue 14 was Mrs Margaret Ord who guessed the correct year - 1953.

N.V.C.A. Trip to Bruges

After the high winds and stormy weather, the Saturday morning was calm, as the 48-strong party left for Bruges at 5.30 a.m. A good run down the motorway enabled us to catch the 9.30 ferry and we were in Calais just over five hours after leaving Newbold.

We stopped at a Belgian supermarket, which was a bit disappointing, before travelling on to Bruges.

Paul, our driver, once again was a mine of information and took us on a tour of the town before going on to our hotel.

The hotel was very good,new last year, and Bruges proved an ideal place for a visit with its cobbled streets, canals and mediaeval architecture. Most of the party had dinner in a pleasant restaurant on the Market Square, and rounded the evening off with a party back at the hotel.

Sunday began with an excellent continental breakfast, followed by free time to explore the town. The lace and chocolate shops were obviously high on the list, judging by the number of little boxes being packed away.

On the way home, we stopped at Ostend for an hour. The wind was quite strong by then and the sea was rough. Some were becoming a little nervous of the journey back especially Trevor & Heather, but they needn't have worried. By the time we reached Calais, the wind had dropped and the sea was almost flat calm.

We cleared Dover customs quickly, except for one suspicious looking character, who had his baggage checked.

A few more jokes from Paul kept us amused on the way home.

I think he enjoyed the weekend as much as the rest of us and certainly contributed to our enjoyment.

THE NIGHT BEFORE

We arrived home around midnight, tired but happy. The travelling, the hotel, Bruges were great, but what really made the weekend, was the friendliness of ALL the party.

The question on most peoples' lips: "Where are we going to next year?"
The answer: "Probably Brussels", appeared to be quite a popular choice.

Letters to the Editor

I am writing to complain about the lack of disco's put on by the N.V.C.A. I think there should be a disco at least once a month or every two months. If these disco's are put on, then could they be put on a Friday night as quite a few teenagers my age have a part-time job which involves them working on a Saturday night. This means they cannot attend any of the disco's put on a Saturday night and they cannot attend any of the other events which are usually on a Saturday. Could the age limit for the disco's be 14 as a lot of teenagers get fed up of the younger ones messing around, this then spoils the disco for them.

A Newbold teenager.

N.V.C.A.'s reply:

The Committee discussed teenage discos on several occasions, but with regular established events at Mkt. Bosworth and Desford, the feeling has been that disco dances in Newbold Verdon would not attract sufficient interest. Perhaps some teenagers could attend our next meeting on 4th April (Wednesday), to give us their views.

Dear Sir,

I very much enjoyed Newbolds answer to the BBC's 'Allo Allo' and 'Blackadder' programmes when staged at the School, by the N.V.C.A. Unfortunately I can't say the same for the village's attempt at Channel 4's 'Swan Lake'.
I refer, of course, to the mucky mega-puddle that appears outside the Swan everytime it rains.
Could your Parish Council correspondent comment please on what steps, if any, are being taken to rectify the problem.

Yours sincerely
Janet Quarmby,

The Verdon Players.

We are now busy rehearsing for our "21st Birthday Production"- TOAD OF TOAD HALL This is to be performed on April 18th,19th,20th and 21st, and tickets will be available from the middle of March.
On the Saturday evening of the show, we are inviting a number of past members and we are looking forward to some reminiscences and celebrations!
On Friday 19th January, a party of members visited the Haymarket to see Cabaret, and we are looking forward to a trip to the West End to see Aspects of Love in March.

A Fawlty Christmas.

For anyone who came to our Christmas Show,(and hopefully enjoyed it!), you will be pleased to know that we raised £310 and a cheque has been sent to Cancer Research. Those of you who attended were in a generous mood, as nearly £50.00 was given to the collection boxes, and there were donations given, as well as nearly £50.00 on the raffle. Thanks once again, for your continued support. Looking forward to **seeing you at "Toad."**

N.V.C.C. AUCTION

Friday night.

Preparing for the event,we had to 'round up' everything from our various 'stores', and 'Lot' them all ready for the big day. Viewing was to start 11a.m Saturday. Just as we got started all the lights went out, (power cut), not just the hall lights but most of the village, just what we needed, all we could do was wait. Eventually the power was restored and a lot of helpers worked very hard. By midnight there were 3 of us left putting the final touches to our catalogue, which we still had to copy out about 100 times.

Saturday a.m. Early.

Signs were erected around the village, catalogues printed and refreshments were being made. ready for the viewers at 11a.m.

By the start of the auction at 2p.m. we had sold all our catalogues and most of the refreshments, and the bidding began. Most of the 'lots' went briskly (a few did not sell) and a very successful day was enjoyed by both buyers and helpers. The buyers enjoyed the bargains and the Cricket Club raised £873.80 for their much needed funds. This will go some way towards buying sight screens, practice nets, power roller and mowing equipment which will make training, playing and watching cricket at Newbold Verdon much better and safer for everyone. (Total cost for this equipment will be £2000)

Obviously all this money was not raised without a lot of hard work and the donations of 'lots' from the local people. Firstly I would like to thank everyone who helped organise this event, as we could not have done it without them. Secondly I would like to thank everyone who gave us the 'lots' to sell, without these we would not have had an auction at all.

SO A VERY BIG THANK YOU TO EVERYONE WHO DONATED SOMETHING.

It was so successful that we are having another auction in the Autumn (date to be arranged) and we hope (with your help by giving something) to make this one even more successful than the last. So please do not throw anything away, please take it to G.A. Property Services, 70 Main Street N.V. or Telephone R. Watson 3990 or G. Law 2067 to arrange collection.

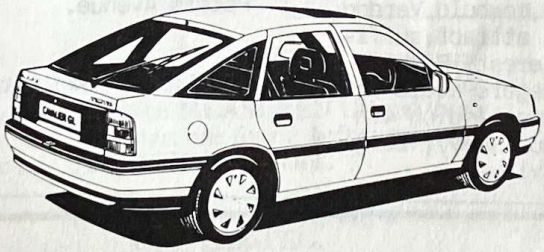

Again a big thank you to everyone who gave or helped and don't forget if anyone has anything (any condition) for our next auction please let us have it or Tel: 3990 - 2067 to have it collected.

Thank you N.V.C.C.

LOST AND FOUND

Linda and Paul Breeze said farewell to all customers of Fourbuoys Newsagents earlier this year. Paul has since gone on to a completely different job at Caterpillar in Desford. Together they managed the shop for 7 years and became a very popular couple. We hope that you will join with us in wishing them 'all the best' for the future.

Welcome however to Ray and Betty Irving and their three children Brian, Christine and Michael who have moved down from North Shields to take over the shop.

Farewell also to Mr and Mrs Smith, the butchers, who have retired after 17 years in the village. They have supported the Verdon Views since its early days and have now moved to Barlestone. We wish them a long and happy retirement.

Taking over at the butchers are Alan and Diane Pinder, who have a daughter Laura aged 4 years. Alan previously worked for a large catering butcher in Thirsk. North Yorkshire.

We would like to welcome Ray and Betty, Alan and Diane to the village and hope that all readers will give them their support.

COME ALONG TO A BEETLE DRIVE

17TH MARCH 7:30PM AT THE SCOUT HUT

ON THE VERDON BEAT!

The other day one of my children brought home a leaflet from the Bosworth College. It wasn't the usual-"You are invited to a parent's evening...." but a reminder that thefts of, and from motor vehicles are on the increase. In particular from the College car parks and the Desford area in general. Well done Desford College!

What can we do in Newbold to prevent this type of crime increasing (Did you know it makes up one third of all reported crime!)

Well considering that, next to your mortgage, your car probably accounts for one of the biggest monthly payments we certainly don't look after it properly!

It's up to us all to take some crime prevention measures. The basic rules are simple, and could save you heartache and inconvenience, (let alone higher insurance Premiums in the future!)

1. At home, park your car in the garage, or at least off the road in your driveway.
2. In town, park it in a proper parking area - at night, near a street lamp and not in a dimly lit area.
3. Lock all valuables in the boot out of sight. (better still don't leave them in the car at all.)
4. Never leave your car insecure, even if you are loading or unloading not even for a "few minutes."

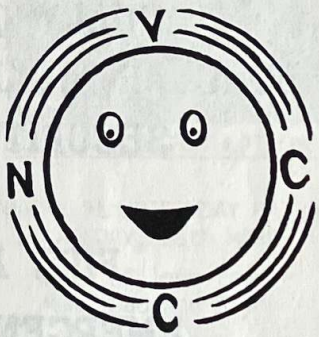

Just before Christmas I was with the owner of an expensive car as he watched it being recovered, after being stolen and abandoned, embedded in the side of a council house. He had... "left it for a couple of minutes whilst I popped into the office..."

Need I say more?

5. If you can afford it fit one of the many anti-theft devices and alarms currently on the market. (Your local Crime Prevention officer will gladly advise on this.)

Stick by the above rules and any would-be-thief will probably move onto the next car - one which is easier to "deal with" There's always one isn't there?

Happy Motoring! M.S.

Well, how many words did you manage to get from CHRISTMAS? Not as many as Lyndsey Kendrick or Craig Boshier, obviously! Having carefully checked their lists of words, (and discounted all those that were rather suspect!) Lyndsey had 81 and Craig 79. So if you would both care to call at 38 Main Street any evening or Saturday morning, you will receive a small prize.

I do not intend to print all the words possible from CHRISTMAS as I can assure you there are more than 90!!!

VERDON IN BLOOM ASSOC.

Within the next few weeks, the VIBA Committee will be writing to every household in the Village to request help with the 1990 project. We intend to improve on last year's efforts but success very much depends on your support.
Flower baskets will again be hung from the street lamps in Main Street and as many volunteers as possible will be needed for watering. An improved water pump is required but mechanised pumps are very expensive so cash donations will also be most welcome. The VIBA is of course totally non profit making so every penny received will be used solely for the provision of floral decoration in the Village.
If you wish to donate a flower basket and would like to have it hung from a lamp post outside, or near to, your home, the Committee will arrange this, but unless you live on Main Street, we will have to ask you to be personally responsible for the daily watering.
It has been suggested that this year, flower baskets should also be hung from the first two or three lamp posts into roads off Main Street. Whether or not this can be done depends entirely on the number of volunteers willing to help with the watering and the level of donations.
So, please, when you receive the VIBA circular, read it carefully, and then decide how best you can help.
Thank you

Christmas Carol Singing

How often do you hear people lament the demise of the 'old traditions', but then, when one is revived you realise why it faded away in the first place. LACK OF SUPPORT! Such was the fate of 'carols around the village Christmas tree' on December 21st.
A mild dry evening, the Enderby School Band were out in force, many of the NVCA Committee were there but the number of other villagers who turned up could be counted on one hand. Which was a great pity because the band were excellent and, apart from the slight hic-cup of someone forgetting to bring carol sheets (thanks Clive and Baptist Chapel for coming to the rescue with hymn books), those there really enjoyed themselves. And it was all FREE! No collection! Ah well, maybe next Christmas.....

PETER PAN PLAYGROUP

In September we held a sponsored walk, the children walked 3 times around the recreation ground. The amount raised was £180.00 for which we would like to thank all the people involved. Some of this money was used to take the children on a Christmas trip and on December 6th we boarded a coach to take us to Childrens World in Leicester where we were greeted by the manager and taken upstairs to see Santa in his Grotto. The children all told him what they hoped to get for Christmas and he gave them all a present to take home. Then we all sang 'Away in a manger' to Santa and his helpers before going downstairs for a drink and a lollipop and the return journey home.

On December 15th we joined with the A.B.C. playgroup for our Christmas Party, the children all dressed up in their party dresses, best trousers etc. and were treated to cakes, biscuits and sandwiches. Then Glenn, the magician, entertained the children for 3/4 hour until Santa arrived with a present for all the children. Everyone went home tired and happy to await Christmas and the New Year.

If you would like your child to join our playgroup, we meet in the Church hall, Brascote Lane, N.V. Monday, Wednesday and Friday 8.55am-11.45am. so come along and see us or contact Mrs. Sandra Stretton 28 Peters Ave. N.V. Telephone Desford 4705.

Brownies

On Saturday, 2nd December, 1989, the 1st and 2nd Newbold Verdon Brownies were joined by the 1st Barlestone Brownies for a Christmas Disco.

We also used this occasion to celebrate 75 years of Brownies. Mrs Bev Ewen, Brown Owl for 2nd N.V. Brownies, made our celebration cake which took the design of the badge worn by all our Brownies for the past twelve months. Approximately 65 Brownies joined together for this event, and a good time was had by all. The six guiders from all the three units laid on a buffet and the music was supplied by Paul Willett.

Prior to this event, 1st Newbold Verdon Brownies had completed a time-warp challenge, which will be put together into a 'time capsule'. They are hoping to bury this in the Spring in the school grounds to be opened by 1st Newbold Verdon Brownies in 25 years' time.
