Ed's Spot

Congratulations to the Newbold Verdon Team who are through to the third round of B.B.C. Radio Leicester's County Quiz. Trailing throughout the contest, they had a tremendous last round. The Quiz will be broadcast on Radio Leicester on Sunday 30th June at 9.30 a.m. and repeated the following Saturday at 1.05 p.m.

WE'VE DONE IT!

Well we did tell you to watch this space ..... and the great news is that on Monday 20th May at precisely 3.07 p.m. County Council Members voted unanimously to match the money raised by the N.V.C.A (£35,000). So the last 4 years of spectacular fund raising have finally paid off, and the dream is set to become reality.

Here are a couple of photos of the kitchen and boiler house as they are now. Take a last look before the scene changes forever.

The boiler house will be gutted later this month as workmen move in to begin the first stage in the year long creation of the new community wing.

An advance booking for the new community wing has already been received! Our local Policeman, Roger Simmons secured the first one just after the news was announced ..... for his own retirement party on 13th Sept 1995! Is everyone invited Roger?M.C.M

DOGS

We have received a letter from a Newbold teenager who is a member of the Newbold Verdon Football Team which plays on Alans Way Recreation Ground. Before every match, someone has to tour the pitch with a pooper-scooper to clear away the dog dirt. What an advertisement for the village, when visiting teams see what has to be done before a game can commence.

In view of the fact that this is a recreation ground for use by the youth of the village, we should like to ask dog owners to be more community spirited and find an alternative dog exercise area.

Perhaps something could be done by the Parish Council.

Newbold Verdon County Primary School lift the County Cup for the first time in 30 years.

RICE BOWL

I put on my boots feeling nervous. My tummy was full of butterflies. The team jogged on in a line. Neal and I walked up for the toss. We won the toss and chose to be behind the sun and with the wind. The crowd was cheering as the team lined up for the kick off. They took centre and scored straight away. I was mad but the team's heads stayed up. A few minutes later I took a high corner and Jamie Cockram headed in an equalizer. This goal got me going. Another corner was given. I aimed for Neal but the ball swerved to Ian who struck one into the back of the net.

At half time the score was 4-1. My nerves had gone and I began thinking how well I was going to play. We swapped ends as I said to myself I've got to score so I can get my nineteenth goal of the season. But I concentrated on today's game. We took centre, Alex knocked the ball up to me and I took a man on with a dummy and crossed it to Alex who took two men on - no sweat! - and knocked it into the back of the net. About ten minutes to go, their centre back passed a silly ball back to the goal-keeper, which I slid in and scored. I jumped into the air with joy! A few minutes later, Adam mis-timed the bounce which went in for a goal. The final whistle blew, I could not believe it. I thought to myself, yes we have finally done it!

The runners up collected their medals first. Then it was our turn, Neal and I walked up and collected the silver Rice Bowl - the crowd was cheering like crazy. My dad took a photo of me lifting the big Rice Bowl.

Player - Scott Harris.

THE RICE BOWL FINAL

When they scored I felt bad. When we scored I felt good. When we scored I felt even better. When we scored again I felt excellent.

When we scored again I was really happy.

When we scored again I was so happy I started to jump up and down. Then I shouted 'Let's have another one Newbold!' and we scored.

Then after that they scored to make the score 6-2 to Newbold Verdon.

The scorers were- Scott 1, Jamie 1, Ian 2 and Alex 2.

Supporter-

NEWS FROM THE PRIMARY SCHOOL

The school has been buzzing with activity this term. A fortnight was spent learning about the Police Force from our own P.C.Simmons, and many of his colleagues, who enjoyed being with the children and sharing their experiences and knowledge.

Continuing from this, the children in the Open Area, have been finding out about people in our Community. They have been treated to visits from, amongst others, Mrs.Walsh, our school nurse, the Rector and ministers from the three Churches, and our Lollipop Lady. (School Crossing Supervisor!)

Here are some comments from the children, about our visitors.

BRASS BAND CHALLENGE CONCERT 1991

In September of last year, Barlestone Victoria Band issued a challenge to the Desford Colliery Caterpillar Band, to a rematch of a contest last held in 1952 at Coleorton, which was won by Barlestone.

A CHALLENGE CONCERT was performed in aid of charity which on this occasion Desford won, so this year Barlestone are once again throwing down the gauntlet to see if Desford can do it two years in succession.

This years' concert will be held at the Bosworth College Desford,on AUGUST 31st. Of course the winner of these events is the charity. Last years' concert was a complete sell-out, and raised £2337 for L.O.R.O.S.

This years' recipient is to be LINK UP, Patient Support Group. Groby Road Hospital.

The money raised will purchase a PULSE OXIMETER, a vital piece of equipment for patients in intensive care.

So who are these two local bands?

Well one is the now world famous Desford Caterpillar Band, who in recent years has won every title available to Brass Bands throughout Europe, including B.B.C. Televisions' "Best of Brass" on several occasions, and Granada T.V.'s "Band of the Year".

In 1986 they won the European Championship, and they reached the pinnacle in 1987,1988 and 1989, when they made it a hat-trick by winning the National Brass Bands Championship each year - something which very few bands achieve.

As for Barlestone Victoria Band, they are a very friendly village band, who recently and for the first time in their long history, have become North Midlands Area, Fourth Section 1991 Champions by gaining first prize in the Area National Championship heats held at Nottingham, on March 9th, and have qualified for the finals of the Boosey and Hawkes National Championships to be held at Wembley in October.

Barlestone are believed to be the oldest continuous band in the county, and have documented evidence showing that they were formed in the year 1888.

LINK UP is a group whose participants mainly include ex-patients who have undergone Heart Surgery and who would like to help others who are to receive a similar operation.

Many ex-patients, having received surgery and feeling that there is a need for support in the period following the operation, will be able to offer help and advice as perhaps the patient adjusts to a different lifestyle.

The wives and husbands of prospective patients are also taken care of.

For them, the waiting period can be a stressful time, and they may well require advice and support in order to help their spouse.

It has been found that since the groups' formation in 1985, the benefits to everyone have been enormous.

FUND RAISING has also taken an important role within the group when it has been called on to help purchase VITAL EQUIPMENT for the units.

We do thank both Bands for their very generous offer to give our group all the proceeds from the concert, and to ask the people of the village to support them, come along and enjoy yourselves, but more importantly, to help and improve the LIFE of your fellow man or woman.

Tickets for the concert, or any further enquiries from-

VERDON IN BLOOM

Many thanks to all who responded to the March circular. We now have over 90 baskets hanging throughout the Village, 20 more than last year. Also 30 or so volunteers to do the Main Street watering.
Sadly, the street team idea did not find favour but Gilbert Drive is looking good with privately funded baskets hanging from most of it's lamp posts.
In addition to the bowls at the War Memorial, we have purchased two flower troughs to stand on the newly paved area at the corner of Arnolds Crescent. VIBA has also agreed to be responsible for filling the four Planters purchased with prize money won by last years successful County Quiz team.
It's still not too late to volunteer to do some watering. Even if you can only spare one or may be two evenings throughout the whole of the summer, this will help. Phone 824613 or 828039 for details.

THIS STINKS

After all the money that has been spent on Newbold Verdon's "Water reclamation works" the one thing that we can't seem to be able to cure is the problem of vandals. Many thousands of pounds has been spent on the works but almost every day when we visit the works we find something broken, smashed or brick ends thrown around. The cost to replace broken items is very expensive and has to come out of someone's pocket - make sure it isn't yours.
Where is your child playing tonight - let's keep check.

Severn Trent Water.

This letter was given to me after a long chat with Severn Trent; it seems a shame that part of 'our' water rates should be used to replace vandalised items. Let's help ourselves by keeping the vandals out of Newbold.

RAINBOW CLUB

We are a group of mums with children under 5 who meet in the hall behind the Baptist church on a Monday afternoon from 1.30 - 3p.m. While the children play with the toys the mums (and dads too sometimes) have a chance to sit down with a cup of coffee and have a chat with other mums from the village. The older children are given activities each week to make it more interesting and we are hoping to hold 'parties' of Avon, Dried flowers and pictures in the near future. For more information contact Sue Page on 823651 or Ann Hancock on 824713.

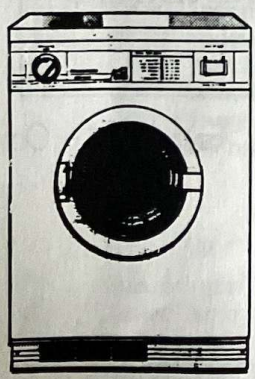

CHRISTIAN AID WEEK

This years appeal raised £643. A really magnificent response. Donations ranged from single pennies to one £50 gift. Many thanks to all who gave and, of course, special thanks to all you lovely people who did the collecting.
Sorry Newbold Heath, you drew the short straw this year. We just did not have enough volunteers to cover your area. Next year you will qualify for priority attention!

ST. GREGORY'S CATHOLIC CHURCH

We had well over 100 people attending our April service in St. James, so once again, thank you all for joining us to celebrate the Risen Lord.

I hope you enjoyed the service, even though it was perhaps more informal and exuberant than some expected. There are many ways to praise the Lord, and I believe that within the Church, we can accommodate all these different expressions, so that everyone has an opportunity to worship in a manner that is meaningful to them.

This was the first time I had ever tried to put together a church service, and it probably showed! However,as we managed to end the celebration by blowing all the fuses, I doubt that I shall ever be invited back to St. James. Apparently it took the Electricity Board 3 days to put things right. Sorry Charles!

everyone would react to this change of format, but judging by the comments we received afterwards, everyone enjoyed it very much indeed, and lots of people remarked that they had received the message the children had put over during the production. This is what we had all been praying for, and God answered our prayers. The following are two letters we have received from members of the congregation:

"I would just like to say how much we all enjoyed 'Kids' Praise' It was a superb performance, and by far the best musical by such a wide age group of young people, I have ever seen.
The message came across, about letting Jesus into our lives and sharing with others, so well that I am sure many people, like me, had a lump in their throat and a few tears in their eyes.
Please will you congratulate all those involved in such a moving and wonderful performance."

JOHNNYS FISH BAR

"It was a brave decision our Sunday School Staff made when they decided to put on a production of Kids' Praise for our Sunday School Anniversary, but one which proved to be a blessing to those who came to see it. It was very apparent that the young people enjoyed taking part and the message that was given through the words and lovely music was a good one. One of the adult members of the choir commented on the care shown by the teenage members of the cast towards the younger members, and the feeling of 'one-ness' that was apparent throughout the practices and the performances. This is what a "Church Family" should be about.
It is also apparent that there is a rapport between Cyril and the young people which is good to see.
So as a member of the Church and also as a parent, I would like to say thank you to everyone concerned in bringing us "Heart to Change the World".
All your hard work over the past few months has given glory to God."

PARISH NEWS

A Parish Council election was not necessary in May because only nine parishioners put their names forward. As the normal complement for the Council is ten members notices have been put up on Parish Council Boards for one more parishioner to put his or her name forward by June 28th 1991.

Mr Mike Preston and Mrs Helen Francks have been elected Chairman and Vice-Chairman respectively.

The extension to the Alans Way pavillion has been completed and is now in use.

Planning permission is being sought for a brick bus shelter in Dragon Lane.

Once again we have to issue a warning to residents that an effluent discharge into the brook running from the rear of Arnolds Crescent and across Brascote Lane makes it inadvisable to allow children to play in or near it.

The next parish council meeting will be held on Monday 1st July at Alans Way.

TOTE

Tote collectors are required for the N.V.C.A. Tote. The following roads will shortly need new collectors Arnolds Crescent (2 collectors required) and Laburnum Avenue. Please Telephone 822870 if you can help.

W.I.

Newbold's May meeting was augmented by a visit from Kirkby Mallory W.I. to debate resolutions which will go forward to the National W.I. meeting to be held in June at the N.E.C. Members discussed three resolutions. The first was on the dangers of paracetamol, its second on child care services and the third on deductions from pensions following the admittance to hospital. Members were unanimous in feeling that more publicity should be given to the dangers of paracetamol and that the government should be urged to abolish the deduction from pensions after 6 weeks in hospital. Much heated discussion took place before it was finally agreed to leave to the delegates discretion as to how to vote on whether or not the government should be urged to encourage and support high quality child care services.

The meeting was rounded off with an excellent buffet provided by the members.

Newbold Verdon members also had a very enjoyable evening out in May when we visited the farmhouse home of Mrs Angela Grice at Barkby. She has a delightful collection of teapots of all shapes and sizes and entertained us by telling a little anecdote about each teapot. Her collection numbers 82 and is a result of 26 years collecting. All the teapots have a matching stand. A meal was provided for us afterwards rounding off a most enjoyable evening.

FOOTBALL CLUB
PRESENTATION.

On Saturday 1st June it was the annual football club presentation - always an evening of anticipation and good spirits!

The first part of the evening is when everybody gets a drink and finds a seat in readiness for the speeches. First up was Melv Tuckwell who was standing in for Mr Mould who unfortunately had toothache! Then came the under 10's manager who presented their trophies. He was followed by the managers of the other four teams. Collecting the trophies was quite nerve-wracking for us boys, but when the disco started, we soon settled down and enjoyed the disco. (Until the adults hit the floor that is!)

It was a good evening and I am sure all the boys would like to thank their managers coaches and supporters for another great season.

Special thanks to Chris King and Janet Barwood for organising the evening.

ROUNDERS

On Saturday 18th May nine teams arrived keen and fit to take part in our 3rd rounders tournament. After a league-type tournament, the winners of the veterans were 'Thunderbirds' the 16+ were 'Wilting Wonders' and the childrens winners were 'Stevies' Wonders'. 'Donna's Devils' were runners-up to the 'Wilting Wonders' as overall winners. The evening was a great success thanks to the organisation of Roger and Marilyn King and the umpiring skills of Rhoda and Tony Crowfoot.

VERDON PLAYERS

Friday May 31st saw the presentation night of the Leicester and County full length play festival. We had entered our October production "Brush with a body". The Adjudicator, Mr John Tillotson, spoke very favourably about the performances of Godfrey Tabbiner and Rosemary Domagala which was nice to hear.

In October this year we shall be trying a new format, an evening of 3 one act plays under the tentative title of "Are you sitting comfortably?" Look out for posters nearer the time. It should be fun

TALENT SPOTTING !!

Now I know you're all rehearsing like mad for the Music Hall Sketches, monologues, duologues,,triologues, four part harmonies !!! But none of you have actually **TOLD** me that you want to be in it ! Book your spot now, you can work out what you are going to do later !!

Don't worry about making a fool of yourself, I do it all the time. Newbold expects .... and all that rubbish. So far all I've got is two spots from the Verdon Players (but I'm taking cream for them)and Marvo and his Talking Goldfish (ventriloquists act). So come on, let me have your names a.s.a.p. I would also like to hear from anyone interested in helping set up ,running the bar, throwing out the drunks,dressing the cast (Oh sorry - that post has already been filled !!) Contact me - Clive Hill on Des. 823332. Thank you in anticipation !!!

N.V.C.A.
FUTURE EVENTS.

On the warm summer evening of August 17th (Gala Day), there will be a dance at the school, to the sixties music of the group "Smiler". This super group played for this event last year, and those who attended agreed that it was a perfect ending to a perfect day. If you missed it here's your chance to make up for it this year!
Book it in your diary NOW and look out for further details.
On Saturday 14th Sept. at BATES' FARM, we are holding a BARN DANCE, to live music and entertainment by a local group- "RAGS AND TATTERS".
This will be slightly different to the past two years we have held this event, and we hope EVEN MORE enjoyable. (if that is possible!)
Details and tickets will be on sale in August, and numbers will have to be limited, so see any Committee member to ensure your tickets!

VERDON ON VIEW

This years 'Verdon on View' exhibition will be held on Sunday, October 6th, at the School from 10-4 p.m. This year we hope to make the event the best yet, so, if you are a collector of any items such as Trains, Trophys, Ships, Dolls, Bookmarks, Stamps, Tea-Towels, Photographs etc. to name a few, or you have any hobbies that you would like to share with the people of the village, we are appealing for you to come forward now. There will be no charge to exhibit or to come and browse around on the day. For more details Tel: Desford 823533
