EDS SPOT

Here we are once again with our Christmas edition.

The team would like to wish all our readers a Very Merry Christmas and a Happy New Year.

May I remind you that this is YOUR newspaper, and if you would like to advertise any event, achievement or celebration please contact one of the team. We look forward to hearing from you.

The Community School activities got off to a great start in October, and the programme is being extended in the New Year. See centre pages for details.

Why not make a New Year resolution to join a class at your own Community School.

The team has been very busy this year and the paper has been very difficult to compile due to lack of articles. We hope next year to reorganise the paper and publish at fixed intervals during the year. This should help our advertisers and local organisations by allowing them to plan when to advertise. Letters outlining these changes will be sent to all local organisations and our advertisers.

Last but not least a big thank you to our advertiser without them this magazine could not be produced.

THE FRONT PAGE

The front page this month shows a winter scene of the church painted by local artist Steven Dilks.

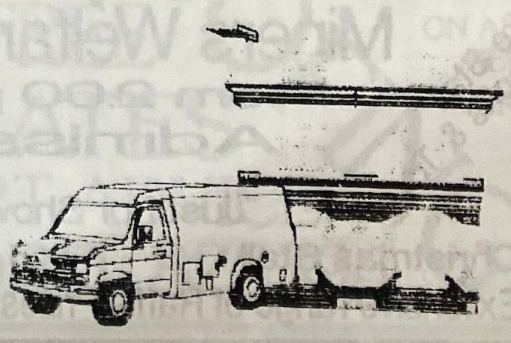

Steven kindly allowed the Verdon Views to print this delightful painting in this issue. If anyone would like to purchase the original painting or any other village scene that Steven has painted, ring Julia on 822870 who will put you in touch with him.

JACK AND JILL PLAYGROUP

Jack and Jill playgroup, held in the Miners Welfare, Dragon Lane, opens from 8.50 am until 12.00 pm each morning.

We cater for children aged from 3 and over, children below 3 by special arrangements.

We have been busy creating new and exciting activities. Currently we are arranging 2 trips. Trip 1 is to Twycross Zoo, 10th November, where we intend to adopt an animal. Trip 2 is a visit, in December, to see Santa Claus on a barge.

You can pop in and see us in action at any time, visitors are always welcome. Mums, if you would like to register your child, then do not hesitate, call in or telephone Maryanne (824694) or Janet (822266). We all look forward to meeting you.

THE PRE SCHOOL HOLIDAY SCHEME

During our long Summer Holidays we held a holiday play scheme for the younger children in the Community Lounge of Newbold Verdon School

The theme for the week was "Noah's Ark and his Animals". Everyone enjoyed themselves. The week was a great success and we may repeat it in the future. Sandra, Pauline, Marion.

PETER PAN PLAYSCHOOL

CHURCH HALL, BRASCOTE LANE, NEWBOLD VERDON

On Gala Day we entered a float to the theme of "Peter Pan". The children were all very good and enjoyed playing their characters. They were very excited at winning 1st place in the Gala Parade. Our thanks to all who helped especially Jason, Debbie and Ivan for getting [illegible]y.

It was a very foggy morning on Sept 24 as we set of for the school playing fields for our annual sponsored walk. We had to be carful not to lose anyone in fog as we completed the 3 circuits of the field, quite a task for a 3 year old. After completeing the walk we returned to the church hall where the children were given a treat and the Mums had a coffe morning. The sponsored walk raised £273.55 and the coffee morning £54.37. The money will be used for the childrens trip and Christmas party any remaining money will go toward new toys.

If you would like your child to attend please contact Sandra

CHIEF SCOUT CHALLENGE

Craig Boshier, Brynn Chappell and Timothy Stretton have recently been presented with their Chief Scout Challenge Award.

This award, one of the highest in Scouting, is obtained by completing a 3 day hike of over 30 miles. Easy I hear you say, but there is a catch, during the hike the lads have to carry all their own food and equipment. On top of this, they each have to complete a personal project.

The route taken was the Leicestershire Round between Borough Hill and Markfield then on to Newbold.

Before embarking on their challenge the group had to produce a plan giving details of the route, menus, equipment needed, camp sites and emergency plans. This plan had to be approved by the Assistant District Commissioner (ADC) Scouts. Each lad was also assessed by the ADC to ensure they have the necessary map reading and first aid skills needed. After passing these assessments they were allowed to proceed with the hike.

The weather was beautiful during the hike and the lads did not encounter any major problems, apart from a few frisky horses and a new industrial estate not marked on the map.

The last part of the challenge was a presentation evening for the ADC, parents and any one else interested. The presentation took the theme of 3 escaped prisoners on the run. Each lad talked about their personal project and some aspect of the journey. An excellent display of the equipment used and their personal projects had also been prepared as part of the presentation. After the presentation and a small buffet, the lads received their Chief Scout Challenge Award from the ADC.

The Craig Brynn and Timothy would like to thank all who helped them during the preparation for the challenge and presentation. They are now working towards their next award, the Chief Scout Award.

Well Done Craig, Brynn and Timothy

NEWBOLD VERDON LIBRARY

How often do you use our local library? Do you know when it is open? Do you know what services it has to offer? NO! then read on...

Our village library which is situated on the corner of Main Street and Sparkenhoe, is open Monday 2 - 5pm, Wednesday 4 - 7pm, Friday 10 - 12am and Saturday 10 -12am. It is more than just a library, it is an information centre too. It has information on the village such as various groups and the dates and times they meet, this information is a must to a newcomer to the village. It also has tourist information with plenty of ideas for days out. It also has a HELP section which is information for everyday problems. Look for the blue and yellow boxes which, contain information on welfare and legal rights, money matters, disability and handicap matters, housing and shoppers rights.

Our library is full of interesting books which are changed regularly. The subjects range from D.I.Y, travel, cooking, fiction and children's books plus more.

A person can borrow as many books as he/she has tickets for (issued by the library) for up to 3 weeks and longer if the book is taken back on time and re-issued.

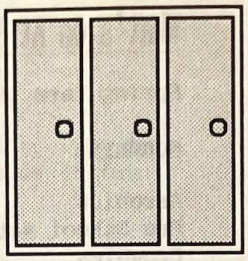

The library will provide any books you care to request for a small fee of 50p, so a best seller costing £15 in the High Street shop can be yours for 3 weeks for a modest sum.

There is on offer a house bound readers service for people who are confined to their own home and don't have anyone to go to the library for them. This service is free, if you are interested ring the librarian on Desford 823553 to arrange a visit, she will give you more information on this free service.

There is also a section of large print books for those who may need them and many reference books such as encyclopedias, atlases and dictionaries.

Although Newbold only has a small library, it is a necessary part of our village life, so support it, and it will repay you whatever age you may be, with hours of pleasure.

NEWBOLD 93

ONE OF THE FLOWER FESTIVAL DISPLAYS

NOT BAD FOR A START!

All I can say is a very big thank-you to all who organised events, and all who supported events.

I hope and believe this may be just the beginning of an annual event - certainly the people of Newbold Verdon have shown that there is a need and desire for this type of event.

Once again, whether you were involved with or attended the Chamber Music Concert, at St James Church, the favourite hymn night at the Methodist Church, the flower festival at the Baptist Church, the Bodgers Mate concert or the Craft Fair, thankyou and here's to Newbold "94"! Clive Hill

CONGRATULATION

Congratulations must go out to those involved with this week of events. Each one (and I made sure I attended them all!) was enjoyable in its own right.

String Bags played for us beautifully, although they claimed they were not used to being listened to! Mitch Moore entertained us with his knowledgeable quips about the pieces they played, and the good sized audience showed their appreciation. The community lounge was welcoming on this dismal night and all those returning chatted and enjoyed the cheese and wine provided.

The hymn night at the Methodist Church was a different evening again. Naturally all the hymns and song chosen were lovely in many ways, and the atmosphere was again welcoming and friendly.

All those visiting the Flower Festival at the Baptist Church, must have been impressed by the varied and carefully thought-out arrangements throughout the Church.

It was most apparent that a great deal of hard work and care had gone into the festival. Once again the atmosphere was warm and friendly.

Friday night must have been one of the wettest of the year, but we all turned out to see Bodgers Mate. Unfortunately the weather slowed them down rather, and anyone who is familiar with folk groups know that if they slow down any more they will be stationary! However when they got going we soon forgave them the late start and the evening was brill!

FACE PAINTING
BY MR POPUP

Finally we turned out again on a glorious day to the Craft Fair. This proved to be a first for Newbold, but surely not the last. There was a constant hum of activity and a wonderfully relaxed atmosphere. Professor PopUp and his team worked hard all day painting little faces. showing puppets and putting on two shows during the day.

I do not believe the organising committee would like to be named and thanked, but they know who they are, and I know they have enjoyed their part in the planning and

BODGERS MATE WARMING UP

NEWBOLD 93

organising. As you must appreciate, there have been many people busily making tea, cake, cobs and of course arranging and clearing up after events.

Next year, who knows there may be twice as many committee members and twice as many events to attend and enjoy!

Janet James.

ONE OF THE CRAFT FAIR EXHIBITORS

A FAMILY CHRISTMAS II

On Saturday December 11th members of the N.V.C.A and friends, are planning an evening of Christmas entertainment.

Those who supported this event last year, helped to raise over £500 for ECMO. This year the charity has yet to be chosen, and anybody with a specific cause that is dear to their hearts should contact any of the committee members.

The evening itself is still in its early stages, so who knows what may emerge! Whatever happens there are sure to be a few surprises and something for everyone. So make a note in your diaries NOW!

Tickets are on sale for this evening at £4.00 and £2.00 for childern and Senior Citizens.

This will include a hot supper, and a donation will be given to Cancer Research.

Tickets are available from Committee members or Milechoice.

THE WINDMILL UPDATE

Steve would like to thank everyone for the support given to the Windmill throughout 1993.

Especially for the support given to Liane during the Summer months when he was in Spain.

Bonfire night was a great success, raising money for charity whilst providing entertainment for the village. In order for the firework display to take place the locals raised £500. Hopefully next year there will be an even better display. Thanks to everyone who participated and helped make the event a great success.

Tuesday nights are Ladies darts, Thursday nights are Mens darts. All day Tuesday 28 December there will be a random pairs knockout darts tournament, with money prizes. See Steve for further details.

Wednesday nights at the Mill are very lively. Every week a duo appears live. Singing a mixture of rock 'n' roll, blues and popular music. Keep an eye on CJ's window for up to date information.

THE VERDON PLAYERS

"Run for your Wife" proved to be a successful choice for the Drama Group, as we were confident it would be.

Three hundred pounds was donated to the Rainbow Appeal on the Saturday night after the play.

It was most rewarding to have 3 out of the 4 nights sold out, and we do appreciate the support we receive from our friends, both within the village and without.

CHAMPERS DISCO

We were pleased to welcome Champers to Newbold Verdon again, for our Autumn Dance.

Sadly it was not well supported for various reasons, but all those who attended thoroughly enjoyed themselves.

It seems that dances are not the most popular kinds of entertainment within the village and we would welcome any ideas for fund raising with a difference, and any of you prepared either to organise or lend a hand.

You can contact any committee member, or just come along to our monthly meetings that are open to anyone living in the village. You will be made most welcome!

JUST FOR FUN

Here are some puzzles for you to try on your calculator. Don't forget to turn your calculator upside down to get the answer once you have worked them out.

07734 = What you say when you meet someone.

30,000,000 - 2,457,433 x 2 = What your Dad may think he is.

2 x 3859 = A boys name.

31482 + 22222 = Found on a golf course.

336 + 327 = What you have for breakfast.

551 x 14 = A small mountain.

MAGIC SWITCH

12	13	14	15
8	9	10	11
4	5	6	7
0	1	2	3

Magic squares, as we all know, have rows, columns and diagonals which add up to the same total. Which is a state our square completely fails to achieve.

Still, you can turn it into a genuine magic square by switching two of the numbers over.

Then doing that again. And again. Once more. Yes, making just four switches of pairs of numbers will do the trick!

When you have done it all the straight lines of four numbers will add up to 30.

We have even placed three of the numbers for you. Can you place the rest?

HEATH NEWS

Over recent times we have held our usual monthly meetings to discuss general matters of concern.

As usual we have been holding social events the last being a quiz night with a varied programme of subjects to suit all ages. After much secretive debates between team members the answers to the various questions were handed in. Once marking was completed by the chairman he announced the winners to be the Fisher team.

Following last years bulb planting we have extended our activities to the newly generated verges on the Bagworth Road. Planting assorted bags of daffodils and narcissus, which will no doubt be enjoyed by the villagers as they travel in this direction.

Finally as Christmas approaches we are organising a trip to a Pantomime which I expect will be followed by more eating and drinking.

A Merry Christmas and full employment to everyone in 1994.

NEWBOLD VERDON UNDER 12 FOOTBALL CLUB

Midseason Report

So far this season the under 12's are unbeaten after 7 games. Winning 6 and drawing 1. Scoring 29 games against 9.

The boys are playing good football and are at this moment top of their leauge. This is down to the boys attitude and hard work on and off the pitch.

Many thanks to all parents and assistant manager Malcome Statham and not forgetting Helen Statham for all their hard work. A successful team needs great support, and we have the very best.

The team would like to thank Clive Hill, who was manager at under 10 level, 2 years ago. Clive put many hours of work in getting the team together.
