NEWBOLD VERDON COMMUNITY NEWSPAPER ISSUE NO 42

EDS SPOT

A nice start to the new year with plenty of celebrations in this issue. Social events are on the move as well, with 3 dances in the coming months and plenty of church events leading up to Easter. An old time music hall is scheduled for November so come on all you budding: thesbians, singers, comedians, dancers and any one else willing to lay on a act, get practising.

Do you recognise yourself - or anyone else in this photograph? I t was taken about 20 years ago. We would like to hear from you.

GOLDEN WEDDING CELEBRATION

Jack and Marion (Woody) Woodward celebrated their golden wedding at a party, given by their family.

They were married on 8 January 1945 at Ardesley parish church Barnsley, York, whilst Jack was on leave from the RAF "Woody" will be remembered as a popular member of staff at the local surgery for 16 years before retiring. They are now making plans and looking forward to the next 50 years.

MARKET BOSWORTH ROTORY CLUB

The Rotary Club of Market Bosworth, which was founded in 1974, meets on most Tuesday lunch times in the Black Horse, Market Bosworth. Its members are drawn from a variety of business and professional occupations. Some of them are founding members of the club and others have joined within the last year or two.

The twin aims of Rotary, which is an international network of clubs, are fellowship and service to others. Fellowship is achieved at our meetings, at which we have a variety of interesting speakers, and also at a number of informal and formal social events, held throughout the year. The community is served through the efforts of individual members, and activities of the whole club. Local individuals and organisations (like the surgery at Market Bosworth) have benefited, as well as national and international charities, etc. In cash terms, this amounted to well over a thousand pounds in the year 1993/94.

Rotary and Young People

Rotary runs a number of schemes aimed at young people. Students still at school can attend other schools abroad for a periods from 3 to 12 months. There are week long courses involving outdoor activities which aim to broaden the outlook of young people. Graduates can apply for scholarships to study abroad. And for people with several years experience of work, there is the chance, along with a group of others, to visit similar occupations in other countries. Rotary helps by organising these schemes, and assisting with travel, accommodation and, sometimes, financial arrangements. For example, Clare Flannery, an ex-student of Bosworth College, recently spent a year at an American high school. She was helped considerably by Market Bosworth Rotary Club, and will be recounting her experiences to the club at one of our November meetings. For more information, please contact the Club Secretary, Mr Derrick Baker, 39 Park Street, Market Bosworth, 'phone (01455) 290 420.

The Rotary Club would like to thank the people of Newbold Verdon for their support again of the Santa Sleigh, we collected over £1000 to be used in local charities, from the surrounding villages.

WHO ARE THE LIONS?

The Lions Club is an International organisation open to all people regardless of race or creed. It is a charitable club dedicated to raising money to help the needy.

There are many clubs spread throughout the United Kingdom which is part of Lions Clubs International with clubs all over the world. One such club is Barwell and Earl Shilton Lions which meets at Barwell Sports and Social Club on the second and fourth Tuesday of every month. The first meeting is devoted to business matters and the second meeting is a social night. Here in Newbold Verdon there are many people who would like to help charitable work but don't know where to start.

Why not therefore join a Lions Club, have fun while helping others in need. We are always in need of new members, as the more we have the more we can help needy people.

If you would like to know more about the Lions ring Lion Raymond Gabriel on 822100 or Lion Peter Mountain on 822662 who will be glad to give all details.

So next time you think of others in need, think Lions

VERDON PLAYERS

This, our 25th anniversary year, has started with a celebration.

Many of the group spent a most enjoyable evening at Sketchley Grange in January.

Our Easter production, being directed by Martin Hitchman, is When we are married, by J.B.Priestley.

This promises to be an enjoyable production, set in the early 1900s with a large cast of familiar faces.

ST JAMES CHURCH NEWS

It seems that the shine is only just fading from the New Year's Resolutions, and here we are already in Lent!

The Christmas Services were all well-attended: perhaps more people felt the need to remind themselves of the true meaning of Christmas amidst the whirl of social activities and present planning. The Sunday school Nativity Play had an audience double that of 1993, and there was a record attendance at the Carol Service. Put it in your diaries for next year - and recapture the innocence, excitement and expectation you need at that time of year.

There was more going on throughout 1994, including more baptisms (18), more confirmations (16) and more weddings (15) than in recent years. The first Young People's Confirmation Class this year is at the Rectory on Wednesday 1st March at 3:15pm. Half of those confirmed last year were adult: so if you want to join confirmation classes - at whatever age - please contact The Rectory on 822528.

The Church has to be as self-funding as possible nowadays, and therefore many of our social gatherings have the additional objective of fund-raising. That's why it was particularly nice to be able to meet with over 70 members of the Parish for Supper at the Church Hall on January 27th, just to say 'thank you'! (BUT: More Coffee Mornings to raise money for the Church Hall continue each month: contact Andrew Mensley on 824590 for details or with offers of help.)

Throughout Lent there are many opportunities for worshipping and learning together: United Services with the Baptist and Methodist Churches (the singing is wonderful!); a Lent Study Course entitled "The Heart of the Matter", and Wednesday evening communion services leading up to the greatest and most glorious Christian celebration of all at Easter: everyone is welcome. (See Diary of Events for details)

In our Eucharistic services we say thank-you to God; on Sunday March 26th at 3:00pm we say a special thank-you to all mothers at our Mothering Sunday Service, a family Service during which all the women in the congregation receive a bunch of spring flowers. Join us and bring your mother! Happy Spring to you all.

PETER PAN PLAYGROUP

Church Hall
Brascote Lane
Newbold Verdon

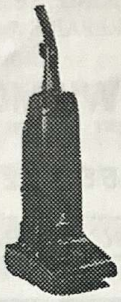

For something different this year we decided to take the children to the theatre, so on Wednesday morning Dec. 14th 1994 we hired acoach and took the children to Leicester arriving at the Haymarket Theatre for 10a.m. to see a production called Magic Mirrors. This was a short play of 45mins. specially designed for very young children from the age of 3years. On being shown in to the theatre our seats were the front two rows so everyone could see well. Everyone settled down to watch the performance which was about a little girl who looked in a mirror and became a princess in her dreams, the children loved it, some have never sat so still! But all joined in at the right parts and afterwards the cast came out and spoke to some of the children. The end came all too soon and it was time to find our bus and return to Newbold Verdon.

On the Friday afternoon Dec. 16th we held our Christmas party in the church hall during the afternoon. The children were entertained by B.J. the Clown who did some magic tricks which the children could join in and then to finish he made some animals out of balloons which all the children wanted to take home. We gave them their tea of cakes, sandwiches, jelly, lemonade etc. before Santa appeared and gave each child a present and listened to their requests for Christmas. Everyone went home tired but happy to wait until Christmas day.

Anyone wishing to join the Peter Pan Playgroup can call in at any time Monday, Wednesday or Friday between 8.55a.m and 11.45a.m. We are trained and registered to look after children from the age of 2½ upwards. Contact Sandra on 824705 or Pauline on 823443 for more information.

In years gone by - and still in some places today - the Good Rule and Government Byelaws applied to dog fouling. If your pet deposited the dirt, it was a criminal offence - even if you picked it up !

In 1985 the Home Office introduced Model Byelaws which allows any District Council to apply controls to parks and other areas which requires us all to pick up the waste and put it in a bin provided by the Council.

In 1994 the Tidy Britain Group produced a Working Party report on Litter and Dog Dirt. Among proposals were: dog owners should be asked to pick up their pet's dirt from any area to which the public have access. Local councils should be able to apply on-the-spot fines for non-compliance with byelaws.

In December 1994 Sir Graham Bright (MP for Luton South) asked a question in Parliament about dog fouling. The Department of Environment Minister (Mr Atkins) advised the House that the Government accepts the Advisory Group conclusions that the present system of byelaw control for dog fouling is unsatisfactory. It is their intention to simplify the system so that local authorities can introduce poop scoop measures in designated areas without reference to Central Government . Also, that there should be a fixed penalty scheme for dog fouling offences to help with enforcement.

We believe that simplicity and consistency are key measures for fouling controls. It would be easier if everybody throughout the country knew that they should pick up their pet's waste, and there would no longer be uncertainty about where or when byelaws apply.

It is part of the responsible pet ownership message to pick up dog waste, so don't get a bad name from those prepared to be critical about our pets.

A clean environment is good for all of us - including dogs.

The Editor,
Dear Sir,
I must protest at the failure of our Parish Council to be represented at the local public enquiry held in the Church Hall on 1st December 1994. This enquiry was held to hear evidence from interested parties by an inspector appointed by the Secretary of state after objections were received to the proposed diversion of a local footpath.
The Parish Council was one of the objectors and also organised a petition which was signed by many residents. As the date of the inquiry was given in a letter dated 27th September, surely this was sufficient time to arrange for someone to attend in an official capacity - two councillors attended in a private capacity - or for someone to be briefed to attend and represent both the Parish Council and the petitioners, but to simply snub the inquiry is incomprehensible.
Yours faithfully,
Mr J Traill

Dear Verdon Views,
The new car park and wider gates, have made a tremendous difference to the Community School. We are sure this is a great safety measure, greatly relieving the congestion near the school. We now feel more relaxed when attending the school, knowing our car is safe in the well-lit car park.
Thank you for your letter. It is encouraging to hear positive comments. The N.V.C.A. tell us that the car park , gate widening, road surfacing and lighting, cost over £6,000, which has been raised from various events organised by the Community Association and supported by yourselves.
We hear that further fund-raising events are being organised to improve much needed bar facilities
(see photo !!!) ,to purchase a music system with a P.A. and to provide sound proofing curtains and furniture for your Community lounge.
The N.V.C.A. hope for your continued support.
