NEWBOLD VERDON COMMUNITY NEWSPAPER ISSUE NO 45

ED SPOT

Wow! What a scorcher - weeks and weeks of lovely hot sunshine which certainly took its toll on our gardens but those balmy nights were wonderful.

Thanks to the Verdon in Bloom and their trusty band of waterer's for once more creating and maintaining a riot of colour throughout the Summer. Their work is much appreciated. How nice to see the pubs joining in with a super display worthy of a front page spot.

We would also like to thank Julia Wilmot, who is leaving the VV team because of work commitments, for all her work for the VV over the past 7 years. Her contribution is greatly appreciated by us all and we wish her well in her new career.

A MESSAGE FROM YOUR NEW LOCAL POLICE OFFICER

Hello

As you may or may not be aware. Your village has a new local Police Officer, and I would like to take this opportunity to introduce myself to you.

My name is Nigel Lambley (Police Constable 1590) and I have served with the Leicestershire Constabulary for the past 6 years. Previous to this I served in the Royal Navy for 10 years.

I am 32 years old, and married to Caroline, who is originally from the Market Bosworth area. I have 2 sons, aged 8 and 6 years.

I have moved to Market Bosworth Police Station from Hinckley Police Station, where I have spent the last 3 years on an immediate response vehicle mainly dealing with 999 emergency calls.

My interests include running a local Cub Scout Group in Hinckley and watching and helping my 2 sons who ride horses in local events. I also enjoy the occasional outing to the National Hunt Horse racing meeting.

As you probably know, Roger Simmonds has been the local Police Officer for the past 23 years, and this will be a hard act to follow for me.

I will try to make myself known to you as soon as possible but in the meantime if you see me about in your village, please do not hesitate to speak and introduce yourself. I will only be to willing to get to know you and discuss any matters or problems that you or your village may have.

Finally may I look forward to working with you all to ensure the success and well being of your village.

Nigel Lambley

SPOTLIGHT

Our new warden of the Newbold Verdon Community Centre: Eileen Glasper, lives in Shepshed and is delighted to be Warden and Head of the Primary School.
She has four grown up family, none of whom live nearby (maybe a blessing or did she go wrong somewhere!) She was previously Head of Hathern Primary School and Community Centre for 7 years and before that Head of Barkestone Le Vale Primary School for 7.5 years. Are there indications here of a 7 year itch?
Eileen was a late entrant into teaching with previous experience in industry and commerce. A former bell ringer, she enjoys caravanning and has towed here and abroad. She is a member of the Institute of Advanced Motorists and also enjoys sailing and swimming. She prefers the country to the town or city, with its friendly caring community spirit and is looking forward to involvement through the activities which are offered.
Eileen's husband: Bill Glasper, has been Head and Warden of Barlestone School and Community Centre for the past two years.

N.V.C.A RAMBLE

Pictured, is a bunch of 'fit' and keen villagers, gathering on Sunday, 3rd September for an N.V.C.A. ramble.
The relaxing afternoon was thoroughly enjoyed by those taking part. The only complaint was that it could have been longer. The culmination was a hot potato and apple pie supper in the Community lounge prepared and served by members of the Community Association. Many thanks to those who helped with the food and bar. We would all like to thank David Rhodes for his time in organizing and leading the ramble, and look forward to many more such afternoons!

DIAMOND JUBILEE YEAR FOR NEWBOLD VERDON W.I.

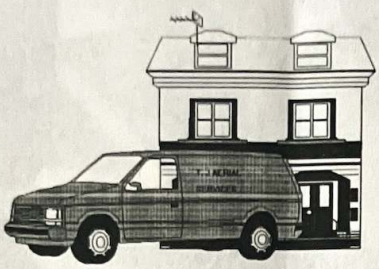

A meal and a concert at the Church Hall marked the W.I.s celebration of it's 60th Anniversary on 15th March and a maple tree is to be planted on the green at Mallory Close, as a permanent reminder of a special year.

Also during 1995,we have had speakers and demonstrations on modern garden design, novelty cake decoration and quilling, learned a lot about Russia and on 16th October our speaker will reveal the Follies and curiosities of Leicester. Some of our members have tried clay pigeon shooting, been to Duck Race and rambled round Ratby, (the latter nicely ending in the local pub!) We visited the theatre, Shughborough Hall, the W.I. College in Oxfordshire and Buckingham Palace - quite a full calendar and the year isn't finished yet! Oh, yes, then there were the skittles matches.

Why not come and find more about what we are doing - we are having our Fund Raiser this year at 7.30 p.m. on Wednesday, 15th November and we aim for a new slant on icing your Christmas cake and decorating your home with Christmas flower arrangements and, of course, some of our famous W.I. refreshments. Tickets are only £3.50 and can be had from any W.I. member or ring Sylvia on 823354 and Hazel on 822766. After that there is our December meeting on 11th December, which we

FUND RAISING UPDATE

Pictured here are Ian Mitchelson, Trevor Dowall & Mel Tuckwell presenting the cheque for £762.00 to Niel Davis, following their fund raising evening featured in our last issue.

THANK YOU

A big thank you to our new Lady Mayor and Councillor Joyce Crooks for her continued hard work for Newbold Verdon. It is impossible to list the problems that Joyce has sorted out since she was first elected as councillor for Newbold Verdon, the list is endless. The village needed someone to take it in hand and Joyce has certainly done just that. Good luck in your year as Mayor, keep up the good work.

Grateful resident (Name and Address supplied)

SORRY TERRY

May we take this opportunity of correcting an article printed in the last issue. It was, in fact, Terry Davies, who had the winning allotment. Sorry Terry!

Congratulations to Paul and Marilyn Eales on their Silver Wedding in August.

A Note Of Farewell.

On 12 August 1972 I was asked if I would like to transfer from Charles Street Police Station Leicester to become a resident officer at Newbold Verdon.

After seven years of city police work I decided on the change. After all I lived in the village, so it must be a good idea. It was. Some of you older residents may recall the Police Office was at the back of Trevor Vernons (now Johnnys Fish Bar) fish and chip shop. Newbold had been fortunate enough to have had resident "bobbies" for a long time.

How many of you remember them? Pcs Arthur Rooksky, John Fisher, J.Marston Hewitt and finally myself, to name but a few.

It's the end of the line now. Your next village bobby will not be living in the village. He will take control from 13 September following my last day of service on 12 September after completing 30 years.

When I came to Newbold the population was about 2300 residents, now this figure has about doubled as have the other villages which make up the beat.

I have thoroughly enjoyed the last 23 years serving this community and I retired with many happy memories, plus a few not so happy.

I have during the years dealt with and attended almost every type of incident from plane crashes and murder to stray sheep.

I got to know some of you closely and confidently and shared private family problems with some of you.

I also heard plenty of tales from the "Serious Rumour Squad".

I have long lasting memories of school trips and contact with the school.

Generally I like to think and feel that I settled into community policing and made a lot of friends and retired thinking that I hadn't left without making a useful contribution to the peace and stability of the village and that you were satisfied with my services to you.

I was always impressed by the response from you all over whatever investigation had to carry out with you or in some instances of you.

I shall certainly miss being a Policeman.

I will not miss getting up in the morning and finding a strange cycle in my driveway or keys through my letterbox or arriving home to find a strange dog tied to my drain pipe or other mysterious objects turning up.

Newbold is a village that supports the Police and credibly in these times has respect for the Police which over the years made my job much easier.

I would finally ask that you continue the support and assistance you have given me over the years to your new Policeman, Nigel Lambley(Pc 1590) who is now among you. Don't be afraid to talk to him when you see about. You can confide in him . He can be contacted at Market Bosworth Police Station or via Hinckley.

In my retirement I hope to pursue my hobbies of gardening, my allotment, researching my collection of Postal History and postage stamps and possibly (I Use the word loosely) baby sitting for my two Grandsons nearby and visiting the other two in Portsmouth, and after I've done all that get on my bike.

Good luck to you all and I wish you all a peaceful and trouble free future.

Thank you. Roger Simmons.

HAPPY REUNION

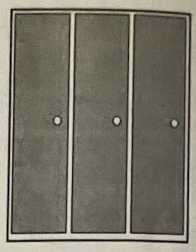

Family and Friends unit after many years.

Eric Frearson and his wife Sheila came back to Newbold Verdon after many years to celebrate his 70th birthday.
Eric and his brothers Ken and Walter lived at Newbold Heath for many years.
Eric helped by his brothers Grandson traced the Frearson family tree back to 1795 and it was arranged in a family tree for all the Family and Friends to see at the party.
Aunt Sally who lives at Newbold Heath, is the eldest living relative at 95 years of age and has lived at Newbold Heath all her life.
It was nice to meet relatives and friends from near and far.
Marilyn Poyser (nee Frearson)

THANK YOU

Thank you to Roseena Cooke, for treating us to a lovely evening at Guys and Dolls, last month.
We enjoyed the show tremendously - performed by HEADCASE, a talented group from Earl Shilton. It starred her daughter and granddaughter, and was produced by her granddaughter.
Roseena paid for the whole evening, including the taxi, programmes, refreshments and the show itself.
We really enjoyed it, thanks again from your friends - Winnie, Arthur and Nora.

HARD TIME FOR HOGS'

Autumn is upon us once again with that, our thoughts turn to hedgehogs or do they? I don't think so.

I wonder just how many of us actually gives them any thought at all. Hedgehogs' proper name is "HOG", but it became known as hedgehog simply because whenever you see a hog, it's usually coming through the hedge, so "hedgehog" it became. Whilst everyone has been enjoying the long, hot Summer, the poor hedgehog has almost starved to death. The hog's main diet is juicy slugs, which is no problem with the British weather being wet... until this Summer. At night, when you are all tucked up in your beds, the Hogs start their night's work of ridding your garden of as many slugs and snails as it can manage, and what you don't realize is that without this valuable visitor, your garden would stand no chance against the slugs. You might complain that you already have your share if slugs as it is. Well think how many you would have if this creature didn't come and rid you of a few!! Chances are that the only time a Hog is seen, is when it's been run over. Its sad that so many do end up on the road, but unfortunately, until the Hogs get to grips with the Highway Code, things won't change a lot. If you do see a hedgehog out during the day, it will be poorly. They only emerge during daylight, when they are ill, so if you do see a Hog, either ring the R.S.P.C.A. or local vet, who will know who to contact at the Hedgehog Rescue. Pop the hedgehog into a box and put it somewhere dark and quiet. Every year we nurse up to a hundred sick and injured hogs back to health so that we can let them go back into the wild when they are well enough. If you would like to help the hogs during Summer and Autumn, you can do this by putting out at night, a dish of cat food and water, Never put out milk, as this gives them enteritis, which will kill them. To make sure that the cat doesn't get it first, put it under an upturned container, waterproof of course, a brick under each corner to lift it off the ground, and there you will have a welcome meal and drink for a desperate hog.

I hope that's enough to raise your interest in the plight of these fascinating creatures. More hog news later.

NEWBOLD BAPTIST WELCOME OLD FRIENDS

Rev Stan and Janet Webb have come to pay us a visit at the Baptist church. Stan's cheery disposition and Janets lovely singing voice will be a great asset. Stan used to be minister here 20 years ago. Since he has had pastorals at Coalville and Yorkshire to name but two. Now he is home to stay and is settling in Newbold in his retirement. Welcome Stan and Janet. All at Newbold Baptist Church.

PASTA AND PIZZAS!

Methodist News.

On the 2nd September, there was a flavour of Italy in Newbold Verdon! At the Methodist hall, all kinds of pasta and pizzas were being cooked and served to all comers. There were stalls to browse and buy, the new Methodist cook book on sale, and of course delicious freshly cooked food.

There was a mouth-watering selection of desserts, donated by Church members, and all was priced to suit the smallest pocket!

Thanks must go to all who helped in any way, but in particular to Georgina Spencer, who organized the event. Let's hope "lottsa Lire" were raised for the building fund. J.J.

V.J. DAY

On Tuesday, 15th August, there was an atmosphere of celebration at the Working Mens' Club. Many villagers had turned out to commemorate V.J. Day, with five 'lads' who spent time in the Far East during the War.

Jack Massey, Bill Satchwell and David Toone were present (Ron Taylor and Bill Warner were the other two who were also remembered). Bob Davey, the Club's Secretary made a short but moving speech, before everyone continued appreciating half priced drinks and a tasty supper. John Dowell, a local man, entertained us during the evening, playing familiar songs on the organ. The evening was most enjoyable and it was thought provoking talking to the celebrities and looking through David Toone's incredible diary of his years in a P.O.W. camp.
