NEWBOLD VERDON COMMUNITY NEWSPAPER ISSUE NO 49

EDS SPOT

The end of August might seem a little early too start thinking about those long winter evenings but no doubt many of you will be looking forward to rejoining evening classes after the summer break.

To whet your appetite we include with this edition of Verdon Views a prospectus for the Community Centre. We hope that you will find something of interest for you (if not, and you have any ideas tell us about them!)

You will also see that because of its success last year we are again holding a Craft Fair and Community Class Preview. As before prospective students will be able to talk to the experts and "have a go" at the various skills on show.

We look forward to seeing you on Sunday 1 September when light refreshments will be available.

The next edition of the Verdon Views, which we hope to distribute at the end of November, will be our 50th, so we hope that some of you will put pen to paper to make it special. See a member of the team if you've got something to say.
