Dear Mrs. Preston,

REPLENISHMENT OF FOOD STOCKS FOR REST CENTRES

Herewith I enclose Food Permits issued in respect of your Rest Centre(s) to enable you to make the necessary purchases in case of an emergency. I believe you have been provided with stocks sufficient to serve meals for at least 48 hours after the occurrence of an emergency, but fresh foods should be used as soon as possible.

In the event of the Centre(s) being open for a period exceeding 7 days, it will be necessary for you to obtain further permits from the Food Executive Officer.

Please acknowledge.

Yours sincerely,

H. J. Tillson

Director of Raid Welfare Services.
