Dear Sir,

I have received your letter of the 19th inst. and will hand it to my nephew - it will be a few days before I see him - he is shooting in Dumfriesshire & then goes to Aberdeenshire, & comes here on his return South - probably about the 3rd prox. meantime I may say that I think that as regards the family's association with the Church it was closer at Market Bosworth than at Newbold Verdon - but he will give you all the
