On the day the School Children broke up for their August Holiday children belonging to the Church Sunday School marched round the top end of the village (N. Church) carrying banners & flags, singing 'Onward Christian Soldiers'. The children would afterwards assemble in the Rectory garden, where tea was provided, consisting of home-made plain & fruit cake etc. When tea was over, games were organised, & at the conclusion, each Scholar, who had made a good attendance at S. School, was given a prize, the girls a prayer-book/purse- bags a pencil-box/purse & the boys a knife.
