RK21B (1-5)

Tel. Desford 2303

THE HALL,
NEWBOLD VERDON,
LEICESTER,
LE9 9NL

The Agricultural Census is done annually by all farmers on 1st June. A random selection of farms are asked to complete a census return, usually a shorter version, half yearly or quarterly. It is compulsory but I can't find reference to the legislation or the date when it was started.
