2nd Copy.

A Survey & Valuation of the Inclosure in the Lordships of Newbold Verdon & Brasgate.

1776

Only the Names of Fields & Numbers together with the Total Acreage have been copied, from a Manuscript Book, once belonging to Thomas Hargrave.

Note.

* First copied by Mrs Mary Preston (nee Wileman) a descendant of the said Thomas Hargrave. This is now in the possession of Mrs Mary Fisher, Little Heath Piece, Newbold Verdon, who together with Mrs Preston undertook to compile field names of the village for the Women's Institute a number of years ago. I borrowed it from here and copied it with original spelling throughout.
