MINISTRY OF HEALTH

WHITEHALL, LONDON, S.W.1

14th November, 1946.

Dear Sir,

I am desired by Mr. Bevan to refer to your letter of October 29th and the resolution you enclosed. He has enquired into the matter of the provision of a water supply and sewerage arrangements in your district and finds that the Rural District Council have, in fact, already submitted a scheme. An Inquiry will be held in due course but the date for this has not yet been fixed. Mr. Bevan gathers that you already know of these proposals and that you submitted your observations to the Rural District Council last month.

Mr. Bevan realises the difficulties to which you refer and he hopes that the consideration which is being given to the matter will result in the provision of more adequate facilities.

Mr. Bevan/

Walter J. Preston, Esq.,
Chairman of the Newbold
Verdon Parish Council,
NEWBOLD VERDON,
Leicester.

Mr. Bevan thanks you for your offer of hospitality should he be in your neighbourhood and asks me to say that he will bear it in mind.

Yours faithfully,

Private Secretary
